**THE PAYSTREAK**

Of the Remington Standard Typewriter never pinches nor peters out, but is solid high-grade from hanging to foot-wall. The lead is distinctly traceable in every civilized country. We have just staked that portion running through British Columbia and offer the stock at best market rates. As an educator, time saver and money earner it is the best investment on the market. Important letters should be type-written. We carry in stock supplies for all machines, papers, carbons, oils, brushes, also letter and note-books, etc. Machines rented, exchanged, re-fitted and repaired. All classes of typewriting neatly done. Terms Cash. Canvassers and dealers wanted in every principal town in British Columbia. Good commission paid. Terms on application.
