## MUSKOKA LAKES.

A region of unsurpassed natural beauty is Muskoka, a land where health and pleasure go hand in hand, where freedom abounds, and where the hand of man is not greatly in evidence, but Nature's untouched beauty is beheld on every side, a picturesque wilderness of ever-changing loveliness, among the

"Highlands of Ontario." To one fond of the woods, the rippling brooks, the rivers and lakes—and who is not?—the Muskoka Lakes take precedence over all other resorts.

This vast region, known as the Muskoka Lakes District, lies in the northern part of Ontario, east of the Georgian Bay and north
