**\$100** a month and board for one young Man or Lady in each town. Address, GARRISON & Co., 95 King St. E., Toronto.

Mrs. Mary Thompson, of Toronto, was afflicted with Tape Worms, 8 feet of which was removed by one bottle of Dr. Low's Worm Syrup.

**Miscellaneous.**

**A VERY pretty and most easily made lap robe for the small child's carriage is made of a square of honeycomb flannel. Make a border round this with a split or single zephyr, about one finger deep, crochet a handsome scallop on the edge. The entire border is to be crocheted, of course.**

**FIREPLACE CURTAINS.**—Fireplace curtains can be hung upon invisible wires, or if preferred upon visible brass rods beneath the mantelpiece, and made to draw before the grate. If it is desirable to hide the mantelpiece, they will serve this purpose also, as they may be drawn aside just enough to reveal the fire.

**—LYDIA E. PINKHAM'S Vegetable Compound is a most valuable medicine for ladies of all ages who may be afflicted with any form of disease peculiar to the sex. Hop Bitters are not only put up in liquid form but in pills and lozenges in which form they are securely sent through the mails.**

**CREAM PUFFS.**—One pint boiling water; while boiling stir in one cupful of butter, two heaping cups of flour and eight eggs, yolks and whites beaten separately. Stir until well mixed, then take off the fire. When cool stir in one teaspoonful of soda. Now drop in gem pans and bake in hot oven.

**SERIOUSLY ILL.**—A person suffering with pain and heat over the small of the back, with a weak weary feeling and frequent headaches, is seriously ill and should look out for kidney disease. Burdock Root Bitters regulate the kidneys, blood and liver, as well as the stomach and bowels.

**A DEAL** of breakage amongst glass and crockery can be prevented by the simple precaution of placing lamp chimneys, tumblers, and such articles in a pot filled with cold water to which some common table salt has been added. Boil the water well, and then allow it to cool slowly. When the articles are taken out and washed they will resist any sudden changes of temperature.

**A WORD OF WARNING.**—To protect the public, and prevent them from being imposed upon by the worthless counterfeits and imitations of our MURRAY & LANMAN'S FLORIDA WATER, we have prepared paper in which the words "LANMAN & KEMP, New York," appear in pale letters when a leaf of the little pamphlet is held up to the light; and whenever Florida Water is offered for sale wrapped in a pamphlet that does not have this water-mark or stamp in it, then it is counterfeit, and should be rejected.

**TWO** small square mats can be arranged so as to make a common pine bracket an addition to the parlour. The bracket must have no back, but instead one of the mats is fastened corner-wise against the wall. The other mat, also placed corner-wise, covers the bracket. Thus a good back-ground is provided for a vase or plaster bust, especially if the centre of the mats be velvet. Even a shilling plaster cast looks well against crimson plush or velvet.

**A WISE CONCLUSION.**—If you have vainly tried many remedies for rheumatism, it will be a wise conclusion to try Hagen's Yellow Oil. It cures all painful diseases when other medicines fail.

**LYONNAISE POTATOES.**—One quart of cold boiled potatoes cut into slices, one tablespoonful of chopped onion, three tablespoonfuls of butter, one tablespoonful of parsley chopped fine. Fry the onion in butter till yellow, then stir in the potatoes and parsley, one teaspoonful of salt, one half teaspoonful of pepper. Stir carefully with a fork, so the potatoes will not get broken.

**A NICE TEA DISH.** Make a short sweetened pie crust, roll thin, and partly bake in sheets; before it is quite done take from the oven, cut in squares of four inches or so, take up two diagonal corners and pinch together, which makes them basket-shaped, now fill with whipped cream or white of egg, or both, well sweetened and flavoured, and return to the oven for a few minutes.

**POTATO FRITTERS.** Potato fritters are very nice for suppers, and are made in these proportions: Three large potatoes and three eggs, two tablespoonfuls of cream; boil the potatoes and beat them until they are light; beat the eggs very light, and mix them with the potatoes, add salt to your taste, beat the cream in last, mould the potatoes into round balls, sift flour over them, and fry until brown in hot lard; drain them on a napkin before serving.
