

# GOOD Food - - Digestion - Complexion

are all intimately connected—practically inseparable. Though the fact is often ignored, it is nevertheless true that a good complexion is an impossibility without good digestion, which in turn depends on good food.

There is no more common cause of indigestion than lard. Let the bright housekeeper use

## A Gentleman

Who formerly resided in Connecticut, but who now resides in Honolulu, writes: "For 20 years past, my wife and I have used Ayer's Hair Vigor, and we attribute to it the dark hair which she and I now have, while hundreds of our acquaintances, ten or a dozen years younger than we, are either gray-headed, white, or bald. When asked how our hair has retained its color and fullness, we reply, 'By the use of Ayer's Hair Vigor—nothing else.'"

"In 1868, my affianced was nearly bald, and the hair kept falling out every day. I induced her to use Ayer's Hair Vigor, and very soon, it not only checked any further loss of hair, but produced an entirely new growth, which has remained luxuriant and glossy to this day. I can recommend this preparation to all in need of a genuine hair-restorer. It is all that it is claimed to be."—Antonio Alarun, Bastrop, Tex.

Dr. Stalker preached in the Free Assembly Hall, Edinburgh, recently on 'The Christian Worker,' taking as his text, 'Every scribe who is instructed in the kingdom of heaven bringeth out of his treasure things new and old.' Why, he asked, was the old word 'scribe,' which had such a bad name, retained by our Lord as a title for Christians? He thought the reference must be to their occupation with the Word of God. Christ foresaw that in all generations this must be the weapon with which His followers would conquer the world. No one will ever do much for the Kingdom of God who is not mighty in the Scriptures.

The following report of anniversary services in Berwick will interest many of our readers: "Anniversary services were conducted in Wallace-green Church, Berwick, by the Rev. N. A. Ross, M.A., LL.D., of Trinity Presbyterian Church, Newcastle. The collections, which were on behalf of a debt of £300, caused by the erection of additional buildings in connection with the church, amounted to £37 10s. On Monday, June 25th, a dedication service was held in Wallace-green church, Berwick, on the occasion of the unveiling of a memorial to the late Rev. Principal Cairns, D.D., who was formerly pastor of the congregation. The Rev. J. M. Witherow, M. A., present minister of the church, presided, and conducted devotional exercises. He also made a few remarks about the worth and character of the late Principal, which were followed by eulogies from the Mayor of Berwick, (County Councillor James Gilroy, J. P.), and County Alderman A. Darling, who spoke from personal recollection of the deceased divine. Thereafter, the congregation repaired to the front of the church, and the memorial, which is placed in the vestibule of Wallace green church, was unveiled. The memorial consists of a mural tablet. The architectural portion, which is Gothic in feeling, has been designed by Mr. Washington Brown, A.R. S.A. In the panel in the centre is an admirable head in marble of the Principal, the work of Mr. Stevenson, R.S.A. The memorial, which is white statue marble, is an excellent likeness. It has been erected by subscriptions from the congregation and friends."
