The **SURPRISE** Way.  
READ the directions on the wrapper.  
1st. Commence by dipping one of the articles to be washed in a tub of luke-warm water. Draw it out and rub on the "SURPRISE" lightly, not missing any soiled pieces. Then roll in a tight roll, put back in the tub under the water and let it stay there half an hour. Do all the wash this way.  
2d. After soaking for this time, run lightly on the wash-board; the dirt will drop out.  
3d. Then wash lightly through a luke-warm rinse water, which will take out the suds.  
4th. Next rinse through a blue water. (Use scarcely any bluing. SURPRISE takes the place of bluing). Wring them; hang up to dry without boiling or scalding or any more rubbing.  
The wash will come out sweet, clean, white.
