Churches. But for the sake of the peace and harmony of said Church, it is hereby declared, that in ease any unforseen difficulty or disagreement may arise therein, and which cannot be antisfactorily settled by the before met-tioned general convocation of said United Church, then, and is every such case, such difficulty or disagreement shall be submitted to the final adjudication of Her Majorty, her Heirs and Successors, whose decision thereon shall be valid and conclusive to all intents and purposes what

17. This Act shall be deemed and taken as a Public Act, and recognized as such in the Province of Canada.

FRANCE.—Business progresses slowly in the National Assembly; the budget is still in committee. The chamber has been for some time occupied with M. Fallunx's educational bill. The latest Parisian advices represent Victor Hugo as having made a speech against it, which was applauded with frenzy. The debate adjourned amidst great excitement. The war against the press continued. The Reform has been suspended, and La Presse seized.—The Buenos Ayres expedition is said to be abandoned.

Pausara.—The threatened dissolution of the cabine appears to have been averted by some compromise. The King is now disposed to take the oath to the constitution. Erfurt parliament is declared to be an imperious poli tical necessity for Prussia.

GERMANY. - In Wirtemburg there appears to be a change opinion favourable to Russian influence.

The Hanoveriau Chamber refused to recognize the Cen-tral Commission of Austria and Prussia, as recommended

AUSTRIA.—Austria is occupied with the numberless constitutions for her provinces. The Provincial Diets are to be convoked in October, and that of the Empire will

from returning to his capital, and that France has offered SARDINIA.—The Sardinian Chamber of Deputies have

approved of the treaty of peace concluded at Milan, between the Piedmontone and the Austrians. DENMARK.-Negociations for the treaty of Peace at Denmark have been received.

From our English Files.

Two princes, nephews of the King of the Sandwich Le lands, have errived at Liverpool. The eldest, Alexander Zihihiho, is heir presumptive to the throne; his bro-ther, Lot Kamehamheha, is sixteen. They speak Englishwith pleasing correctness."

We have beard from authority, upon which reliance ca be placed, that the contemplated reduction of the army will be to the extent of ten thousand men, but the details of the manner in which it is proposed to effect it have not transpired.—Morning Chromicle.

The naval force of England comists at the present time of 199 ships, 2,718 guns, 29,217 officers and men. There are, however, about 1,000 supernumeraries not included here, and this number is exclusive of marines ashore at their respective divisions.—United Service Gazette,

A bear was seen by Sir James Ross's party to slide on his haunches down a cliff seven hundred feet high, steadyise himself with his fore pawa.

We understand that the purchaser of the bed on which Sarah Thomas murdered her mistress, in Trenchard-street. Bristol, by a bidding of 2a. 6d. has discovered £76h, sawed A young lady at Llandaff has decorated the grave of

the late Dean of that diocese, which is within the alter rails of the cathedral, every week, with flowers since his Thoops to Canada.—We are enabled to state that a

considerable force is about to be sent to the British pos-sessions in North America, but chiefly to Canada. Mr. J. F. Lalor, late Editor of the Dublin Pelon, and ne of the ablest and most dangerous of the Irish Patriots, died on the 27th Dec.

DEPARTURE OF THE ARCTIC DISCOVERY SHIPS. -All things being in readiness, the vessels of this expedition, at an early hour on Thursday morning, slipped from their moorings. The scene was a most imposing one, and will long live in the remembrance of thousands who witnessed it, many of whom were seen to shed tears. - Lon-

nessed it, many of whom were seen to shed tears.—Low-dom Standard of Freedom, Jan. 12th.

At a small but beautiful chapel in the parish of White-church, Little Stanmore, ten miles from Landon, is placed the organ once belonging to Handel, and on which he performed, being organist to the Chandon family; also, in the tomb of Wen Powell (she hormoperformed, teing organist to the chushuce issued, the churchyard, is the tomb of Wm. Powell (the hornomion Blackmith), who died 27th of February, 1780.

The Atlas states that vines are being cultivated with great success in Australia, and the grapes produce wines which, while they retain a decided and characteristic peculiarity distinguishing them from others, can yet compete, in point of quality, with many of the more popular

Colonial.

THE PROPERTY OF THE PROPERTY O THE TORONTO TYPOGRAPHICAL SOCIETY. —On Tuesday evening, this flourishing association cele-brated their Fifth Anniversary, by dining together in Mr. Buand's new Hotel, Church Street. Between fifty and England; and feeling, now that the Scat of Government is restored to I pper Canada, and that matters of the highest importance to its temporal and religious interests are to further consideration, the same may, at the instance of moved the usual variety of loyal and patriotic tosts were be again discussed on that soil from whence they ought seech Estate, be referred for sinal adjudication to Her Mars great credit to the worthy Landlord. Grace was said by the Roy, R. J. Macgeorge, and after the cloth was reportance to its temporal and religious interests are to further consideration, the same may, at the instance of moved the usual variety of loyal and patriotic tosts were each Estate, be referred for sinal adjudication to Her Mars given preceded by speeches, many of them chaques and my capacity of legislative counciller of this Province, to 1.
