Mad. George Pinette, 82 Gain St., says: I suffered from a severe attack of that terrible malady, "La Grippe," and I was completely cured by using Dr. Laviolette's Syrup of Turpentine, which is the most efficacious remedy I have ever used.

Mad. Eugene Martel, 239 Papineau Av., says: I hereby certify that Dr. Laviolette's Syrup of Turpentine SAVED MY LIFE. I suffered from a most severe attack of that terrible malady "La Grippe," which left me with Bronchitis and a hacking cough; my illness was so severe that it reduced me to almost a skeleton. I tried everything without getting the slightest relief, and my doctor despaired of my life. Five 25c bottles of Dr. Laviolette's Syrup of Turpentine cured me completely, and I am to-day better and stronger than ever before and perfectly free from any signs of Bronchitis, thanks to this marvelous remedy.

Mad. Louis Paquette, 291 1/2 Papineau Av., says: I suffered from a severe attack of "La Grippe" and completely lost my voice. Three 25c bottles of Dr. Laviolette's Syrup of Turpentine effected a complete and permanent cure. Please accept this unsolicited testimony.

Mad. Eli Pilon, 11 Champlain St., says: My two children, one two and the other four years old, suffered from a severe attack of "La Grippe." Four 25c bottles of Dr. Laviolette's Syrup of Turpentine cured them both completely.

Mad. Etienne Desmarteau, 171 Champlain St., says: I suffered from a severe attack of "La Grippe." Three 25c bottles of Dr. Laviolette's Syrup of Turpentine effected a complete and permanent cure.

Mad. Antoine Griford, 213 1/2 Champlain St., says: I suffered from a bad attack of "La Grippe." Two 25c bottles of Dr. Laviolette's Syrup of Turpentine effected a complete cure.

Mad. Louis Trempe, 88 Maisonneuve St., says: My two children suffered from an attack of "La Grippe," and they were both cured by using Dr. Laviolette's Syrup of Turpentine, which is certainly the most effective remedy I have ever used.

Mad. Jos. Desautels, 247 Maisonneuve St., says: I suffered from a most violent attack of "La Grippe," and I have been completely cured by using two 25c bottles of Dr. Laviolette's Syrup of Turpentine, which is certainly a wonderful remedy.

Mad. Joseph Thibault, 33 St. Rose St., says: I suffered from a severe attack of "La Grippe." Two 25c bottles of Dr. Laviolette's Syrup of Turpentine effected a complete cure.

Mad. Celestin Gilbert, 799 Ontario St., says: Myself and my two children suffered from a severe attack of "La Grippe." Three 25c bottles of Dr. Laviolette's Syrup of Turpentine cured us all completely.

Mad. A. Menard, 182 Lafontaine St., says: Myself and my two children suffered from a severe attack of "La Grippe," and we were all completely cured by using three 25c bottles of Dr. Laviolette's Syrup of Turpentine.

Mad. Cleophas Trepanier, 193 1/2 Plessis St., says: I suffered from a severe attack of "La Grippe" accompanied with an affection of the Bronchial tubes and a most violent cough. My condition was so bad indeed that my doctor feared it would end in consumption, but, thanks to Dr. Laviolette's Syrup of Turpentine, I am to-day as well and strong as ever. I only used three 25c bottles of this wonderful remedy, and I cannot speak too highly of its efficacy and merit.

A HOME TESTIMONY.

GENTLEMEN.—Two years ago my husband suffered from severe indigestion, but was completely cured by two bottles of Burdock Blood Bitters. I can truly recommend it to all sufferers from this disease. MRS. JOHN HURD, 13 Cross St. Toronto.

Teacher: "For men must work and woman must weep." What is the meaning of that line, Tommy Figg? Tommy: It means that men has to work to get money, and then the women has to cry before the men will divide with 'em."

EASE AND COMFORT.

Sufferers from constipation, dyspepsia, bad blood, headache, nervous and general debility, liver troubles, kidney complaint, etc., obtain ease, comfort and cure by using Burdock Blood Bitters.

A STRANGE EXPERIENCE.

AN INTERVIEW WITH A WELL-KNOWN
BRANT COUNTY LADY.

Suffered for Two Years With Sick Head-
ache, Dizziness and Dyspepsia—How
She Found Relief—What Well-
Known Chemists Say.

From the Brantford Expositor.

Mrs. S. W. Avery lives on Pleasant Ridge, about four miles out of the city of Brantford, that being her nearest post-office and where all her trading is done. Mr. and Mrs. Avery have always lived in that neighborhood, and he is the owner of two splendid farms, the one where he lives consisting of 100 acres, and the other lying near Brantford comprising 100 acres. They are highly respected residents of the community in which they reside, and every person for miles around knows them. Having heard that Mrs. Avery had been cured of chronic dyspepsia and indigestion, by the use of Dr. Williams' Pink Pills, a reporter called there recently and asked if she was willing to make public the facts concerning the cure. Mrs. Avery replied that she had been helped by the use of Pink Pills, and was perfectly willing to give her experience for the benefit of those who might be similarly suffering. "For the past two years," said Mrs. Avery, "I had been greatly troubled with a very sick headache, dizziness, and a cough which I believe were the symptoms of dyspepsia and indigestion, and I could do nothing to relieve me although I tried several different medicines. I could not even find anything which would relieve my cough, which at times would be very severe. Early last winter I read in the Expositor of Dr. Williams' Pink Pills, and as the symptoms mentioned were somewhat similar to mine I was thus induced to try them. I procured a supply from Messrs. McGregor & Merrill, druggists of Brantford. Before I had used two boxes of the Pink Pills I felt so much better and relieved from my distressing symptoms that I thought it would be best to continue taking them through the winter, and I accordingly got another supply and used them with the result that I have been totally relieved. I have not once since had the severe headaches which formerly made my life miserable and my cough has entirely disappeared. I strongly recommend Pink Pills to any one who suffers similar to what I did, from dizziness, headache, indigestion, etc., and I believe they will derive great benefit from their use. Mrs. Avery's statement was corroborated by her husband, who was present during the interview, and who said that without a shadow of a doubt Pink Pills had accomplished more for his wife than any other medicine which she had taken. Messrs. McGregor & Merrill were interviewed, and in reply to a query as to the sale of these pills, Mr. McGregor said: "We have sold in the neighborhood of 5,000 boxes during the past twelve months, and there is no remedy we handle gives better satisfaction to our customers than Dr. Williams' Pink Pills. I have every confidence that Pink Pills are the best on the market and something the people can depend upon." Mr. Merrill, the other member of this well-known firm, said: "I have more pleasure in selling Pink Pills than any other medicine we handle because it is rarely there is any disappointment in them, and the people who purchase them unanimously express themselves as well satisfied. I am well acquainted with Mrs. Avery and I know that all her statements are reliable, and I have watched the improvement Pink Pills have made in her case and have seen a great change for the better. Many other druggists recommend some preparations, some I use their own, but I equally as good as Pink Pills, but we cannot conscientiously say so, knowing that as a system Dr. Williams' Pink Pills stand unrivalled."

Dr. Williams' Pink Pills are a perfect blood builder and nerve restorer, curing such diseases as rheumatism, neuralgia, part of paralysis, locomotor ataxia, St. Vitus' dance, nervous headache, nervous prostration and tired feeling therefrom, the after effects of influenza, diseases depending on humors in the blood, such as scrofula, chronic erysipelas, etc. Pink Pills give a healthy glow to pale and sallow complexions and are a specific for troubles peculiar to the female system, and in the case of men they effect a radical cure in all cases arising from mental worry, overwork, or excesses of any nature.

Dr. Williams' Pink Pills are sold only in boxes bearing the firm's trade mark and wrapper, printed in red ink. Bear in mind that Dr. Williams' Pink Pills are never sold in bulk, or by the dozen or hundred, and any dealer who offers substitutes in this form is trying to defraud you. The public are also cautioned against other so-called blood purifiers and nerve tonics, put up in similar form and intended to deceive. They are imitations whose makers hope to reap a pecuniary advantage from the wonderful reputation achieved by Dr. Williams' Pink Pills.

Dr. Williams' Pink Pills may be had of all druggists, or direct by mail from Dr. Williams' Medicine Company, Brockville, Ont., or Schenectady, N.Y., at 50 cents box, or six boxes for \$2.50. The price at which these pills are sold makes a course of treatment comparatively inexpensive as compared with other courses of treatment.

"Shorter" Pastry and "Shorter" Bills.

We are talking about a "shortening" which will not cause indigestion. Those who "know a thing or two" about Cooking (Marion Harland among a host of others) are using

COTTOLENE

Instead of lard. None but the purest, healthiest and cleanest ingredients go to make up Cottolene. Lard isn't healthy, and is not always clean. Those who use Cottolene will be healthier and wealthier than those who use lard—Healthier because they will get "shorter" bread; wealthier because they will get "shorter" grocery bills—for Cottolene costs no more than lard and goes twice as far—so is but half as expensive.

A HIGH VALUATION.

"If there was only one bottle of Haggard's Yellow Oil in Manitoba I would give one hundred dollars for it," writes Philip H. Brant, of Monteith, Manitoba, after having used it for a severe wound and for frozen fingers, with, as he says, "astounding good results."

VALUABLE TO KNOW.

Consumption may be more easily prevented than cured. The irritating and harassing cough will be greatly relieved by the use of Haggard's Pectoral Balsam, that cures coughs, colds, bronchitis, and all pulmonary troubles.

"I never knew a man who was as vain over his personal appearance as Bunkins is." "Humph; we'll soon cure him of that." "How?" "We'll arrange to have his picture printed in the newspapers."

Modern philanthropists have been trying to work out a social combination by which men are to league together everywhere and thus contribute to the good of all humanity; but, well-meaning though they be, they must be blind not to recognize in the Catholic Church a society ever ancient and ever new, independent and always devoted to the general good, true to God and true to men, ever seeking the glory of her Founder and filling her children with the patriotic spirit by which we love and serve our country, and show ourselves ready to devote our fortunes and our lives to its defense, and answering in every point to all the needs of universal peace and harmonious prosperity.
