Ayer's Sarsaparilla THE WORLD'S GREAT REMEDY FOR SCROFULA AND SCROFULOUS DISEASES. From Emory Edes, a well-known merchant of Oxford, Maine. "I have sold large quantities of your Sarsaparilla, but never yet one bottle which failed of the desired effect and full satisfaction to those who took it. As fast as our people try it, they agree there has been no medicine like it before in our community." Eruptions, Pimples, Blisters, Pustules, Ulcers, Sores, and all Diseases of the Skin. From Rev. Robt. Stratton, Bristol, England. "I only do my duty to you and the public, when I add my testimony to that you publish of the medicinal virtues of your Sarsaparilla. My daughter, aged ten, had an afflicting humor in her face, eyes, and hair for years, which we were unable to cure until we tried your Sarsaparilla. She has been well for some months." From Mrs. Jane E. Rice, a well-known and well-estimated lady of Vermont, U.S.A. "My daughter has suffered for a year past with a scrofulous eruption, which was very troublesome. Nothing afforded any relief until we tried your Sarsaparilla, which soon completely cured her." From Charles P. Gage, Esq., of the widely-known firm of Gage, Murray & Co., manufacturers of emulsified papers in Nashua, N. H. "I had for several years a very troublesome humor in my face, which grew constantly worse until it disfigured my features and became an intolerable affliction. I tried almost everything a man could do of both advice and medicine, but without any relief whatever, until I took your Sarsaparilla. It immediately made my face worse, as you told me it might for a time, but in a few weeks the new skin began to form under the blotches, and continued until my face is as smooth as anybody's, and I am without any symptoms of the disease that I know of. I enjoy perfect health, and without a doubt owe it to your Sarsaparilla." Erysipelas—General Debility—Purify the Blood. From Dr. Robt. Sautin, Houston St., N. Y. Dr. AYER: I seldom fail to remove Erysipelas and Scrofulous Sores by the persevering use of your Sarsaparilla, and I have just now cured an attack of Erysipelas with it. No alternative we possess equals the Sarsaparilla you have supplied to the profession as well as to the people." From J. E. Johnston, Esq., Walsworth, Ohio. "For twelve years I had the yellow Erysipelas on my right arm, during which time I tried all the celebrated physicians I could reach, and took hundreds of dollars' worth of medicines. The ulcers were so bad that the cords became visible, and the doctor decided that my arm must be amputated. I began taking your Sarsaparilla. I took two bottles, and some of your Eucalypti. Together they cured me, and I am now as well and sound as anybody. Being in a public place, my case is known to everybody in this community, and excites the wonder of all." From Hon. Henry Moore, M. P. of Newcastle, C. W. "I have used your Sarsaparilla in my family, for general debility, and for purifying the blood, with very beneficial results, and feel confident in recommending it to the afflicted." St. Anthony's Fire, Reno, Salt Rheum, Scald Head, Sore Eyes. From Harvey Sieber, Esq., the able Editor of the "Exchange and Democrat," St. Joseph, Mo. "Our only child, about three years of age, was attacked by pimples on his forehead. They rapidly spread until they formed a loathsome and virulent sore, which covered his face, and actually blinded his eyes for some days. A slight physician applied blisters and other remedies, without any apparent effect. For three days we gnawed his hands, but when he should tear open the festering and corrupt wound which covered his whole face. Having tried every thing else we had any here, we began giving your Sarsaparilla, and applying the inside of potato lotion, as you direct. The sore began to heal when we had given the first bottle, and was well when we had finished the second. The child's eyes cleared, which had not done so previously, and he is now as healthy and fat as any other. The whole neighborhood predicted that the child must die." Reading, Pa., 6th May, 1861. J. C. AYER, M. D. Dear Sir: I have a long time been afflicted with an eruption which covered my whole body, and suffered dreadfully with it. I tried the best medical advice in our city without any relief. Indeed, my disease grew worse in spite of all they could do for me. I was finally advised by one of our leading citizens to try your Sarsaparilla, and after taking half a bottle only, I found that it had reached my complaint, and my health improved surprisingly. One single bottle completely cured me, and I am now as free from the complaint as any man in the world. Publish this, and let the afflicted know what you have done for me, and what may be done for their relief. Yours, with great respect and gratitude, JACOB H. HAIN. The above certificate is known by us to be true, and any statement from Mr. Hain entirely reliable. Harvey Birch & Co., Druggists, Reading, Pa. R. W. BARR, Esq., the eminent author of this city, states, 6th Jan. 1860: "My wife has been of late years afflicted with a humor which comes out upon her skin in the autumn and winter, with such insufferable itching as to render life almost insupportable. It has not failed to come upon her in cold weather, nor has any remedial aid been able to hasten its departure before spring, or at all alleviate her sufferings from it. This season it began in October with its usual violence, and by the advice of my physician I gave her your Sarsaparilla. In a week it had brought the humor out upon her skin worse than I had ever seen it before; but it soon began to disappear. The itching has ceased, and the humor is now entirely gone, so that she is completely cured. This remarkable result was undoubtedly produced by your Sarsaparilla." Charles P. Gage, Esq., of the widely-known firm of Gage, Murray & Co., manufacturers of emulsified papers in Nashua, N. H., writes to Dr. Ayer: "I had for several years a very troublesome humor in my face, which grew constantly worse until it disfigured my features and became an intolerable affliction. I tried almost everything a man could do of both advice and medicine, but without any relief whatever, until I took your Sarsaparilla. It immediately made my face worse, as you told me it might for a time; but in a few weeks the new skin began to form under the blotches, and continued until my face is as smooth as any body's, and I am without any symptoms of the disease that I know of. I enjoy perfect health, and without a doubt owe to your Sarsaparilla." Boston, Jan. 8, 1861. J. C. Ayer, M.D., Lowell.—Dear Sir—For a long time I have been afflicted with a humor which broke out in blotches on my face and over my body. It was attended with intolerable itching at times, and was always very uncomfortable. Nothing I could take gave me any relief until I tried your Sarsaparilla, which has completely cured me. EMILY COMACK. Rheumatism, Gout, Liver Complaint, Dyspepsia, Heart Disease, Neuralgia, when caused by Scrofula in the system, are rapidly cured by this EXR. Sarsaparilla.

AYER'S CATHARTIC PILLS possess so many advantages over the other purgatives in the market, and their superior virtues are so universally known, that we need not do more than to assure the public their quality is maintained equal to the best it ever has been, and that they may be depended on to do all that they have ever done. Prepared by J. C. AYER, M. D., & Co., Lowell, Mass., and sold by Lyman, Clark & Co., Montreal.

For years and years we have been asked for a large print Prayer Book, and for one reason or another we delayed getting up one until the present time. We desired to make it, when made, the most complete and the most elegant Prayer Book published either in Europe or America, and we think we have succeeded. The Features which distinguish it from all other Prayer Books are as follows: I. It contains the principal public and private Devotions used by Catholics, in very large type. II. The Short Prayers at Mass are illustrated with thirty-seven new plates, designed and engraved expressly for this book. III. It contains the Epistles, Gospels, and Collects for all the Sundays and Festivals of the Year, together with the Offices of Holy Week, in three sizes larger type than they can be found in any other Prayer Book. IV. The book is illustrated throughout with initial letters and cuts. It is printed on fine paper, from electrotype plates, making it altogether the handsomest Prayer Book published.

It contains the proper Masses for all the Sundays and Festivals of the Year, answering all the purposes of a Missal. II. It contains the principal Offices for Holy Week, which will save the purchase of a special book for that service. III. It contains the Vespers for Sundays and Holydays, which is not to be found in any Missal published. IV. The type is three sizes larger than any Missal published, and the price is less than usual. V.
