A MOMENTOUS QUESTION FOR THE SICK!—This vital question involving the bodily health of tens of thousands, is submitted to all who suffer from dyspepsia, costiveness, bilious complaints, general debility, or any other disease originating in the stomach, the liver, or the bowels. Will you persist in drug-ging yourself with drastic mineral purgatives, that weaken, rack, and destroy the internal system, or will you accept certain, swift, and permanent relief through the medium of BRISTOL'S SUGAR COATED PILLS, a vegetable cathartic, which controls disease without depreciating the physical strength, is absolutely painless in its operation, and actually removes that necessity for continual purgation, which all the violent and depurating purgatives create? If you desire to enjoy the blessings of a good appetite, a vigorous digestion, a sound liver, regular excretions, and the mental calm which results from this conjunction of healthful conditions, Bristol's Sugar-coated Pills will realize your wish.

They are put up in glass vials, and will keep in any climate. In all cases arising from, or aggravated by impure blood, BRISTOL'S SARSAPARILLA should be used in connection with the Pills. J. F. Henry & Co Montreal, General Agents for Canada. For sale in Montreal by Devins & Bolton, Lamplough & Campbell, Davidson & Co, K Campbell & Co, J. Gardner, J. A. Harte, Picault & Son, J. Goulden, R. S. Latham and all Dealers in Medicine.

MURRAY & LANMAN'S FLORIDA WATER. — Little think those ladies who avail themselves of the empirical 'beautifiers' of the day that they are permanently destroying the health of the skin. From the time of the Borgias to the present day, it has been well understood by the initiated, that the pure essence of fresh and fragrant flowers is promotive of beauty. In the preparation of this Toilet Water, none but aromatic blossoms and leaves of a sanative nature are employed. In addition, therefore, to its excellence as a perfume, it has the property of clearing the complexion, and relieving the cuticle of eruptions, &c., calculated to impair its smoothness, whiteness, and transparency.

Beware of Counterfeits; always ask for the legitimate MURRAY & LANMAN'S FLORIDA WATER prepared only by Lanman & Kemp, New York. All others are worthless. Agents for Montreal—Devins & Bolton, Lamplough & Campbell, Davidson & Co, K Campbell & Co, J. Gardner, J. A. Harte, Picault & Son, H. R. Gray, J. Goulden, R. S. Latham, and all Dealers in Medicine.

THE FLORENCE NIGHTINGALE OF THE NURSERY.

The following is an extract from a letter written by the Rev. C. Z. Weizer, to the German Reformed Messenger, at Chambersburg, Penn. :—

A REMEDY.

Just open the door for her, and Mrs. Winslow will prove the American Florence Nightingale of the Nursery. Of this we are so sure, that we will teach our 'Susy' to say, 'A Blessing on Mrs. Winslow,' for helping her to survive and escape the griping, colicking and teething stage. We confirm every word set forth in the PROSPERUS. It performs precisely what it professes to perform, every part of it—nothing less. A way with your 'Cordial,' 'Paregoric,' 'Drops,' 'Laudanum,' and every other 'Narcotic,' by which the babe is dragged into stupidity, and rendered dull and idiotic for life.

We have never seen Mrs. Winslow—know her only through the preparation of her 'Soothing Syrup for Children Teething.' If we had the power, we would make her, as she is, a physical saviour to the Infant Race. 25 cents a bottle. Sold by all Druggists.

Be sure and call for "MRS. WINSLOW'S SOOTHING SYRUP." All others are base and dangerous imitations. February, 1868. 2m

ACCIDENT.—There was an explosion in Doctor Ayer's Laboratory, yesterday, which caused some excitement in the vicinity. Ayer's Pills are manufactured under an enormous pressure, in cylinders like cannon, which sometimes prove too weak for the compressed forces, and burst with terrific violence. Fortunately, the pieces do not fly far, so that no one has ever been hurt by them. The action is more like ice than powder; but it makes Pills which all the world acknowledge are PILLS.—[Daily Journal, Lowell, February, 1868. 1m

A PUBLIC BENEFIT.—Nothing can be of more importance to the welfare of our community, than the health of our children; and in this depends the future of our national greatness, and, in a large measure, the enjoyment of our own lives. We therefore claim, that in Devins' Vegetable Worm Pastilles, we have a great public benefit, a remedy so safe, so reliable, and so agreeable, which gives health and strength to the weak and sickly child, brightens to the eye, blooms to the complexion, and plumpness to the form. But parents should be careful to procure the genuine Pastille on each one of which is stamped the word "Devins," all others are useless. Prepared only by Devins & Bolton, Chemists, Montreal.

Ayer's Sarsaparilla,

FOR PURIFYING THE BLOOD.

The reputation this excellent medicine enjoys, is derived from its cures, many of which are of a truly marvellous character. Incurable cases of Scrofula, where the system seemed utterly given up to corruption, have yielded to this compound of admirable virtues. Disorders of a scrofulous type, and affections which are merely aggravated by the presence of scrofulous matter, have been radically cured in such numerous instances, in every settlement in the country, that the public do not need to be informed that it is in most cases a specific and absolute remedy. Scrofulous poison is one of the most destructive enemies of our race. Often, this unseen and unfelt taint of the organism undermines the constitution, and invites the attack of encephalic or fatal diseases, without exciting a suspicion of its presence. Again, it seizes the blood, and is deposited in the lungs, and then, on some favorable occasion, rapidly develop into one or other of its hideous forms, either on the surface or among the vitals. In the latter, tubercles may be formed, and the lungs, in the end, become the seat of tumors in the liver. These facts make the occasional use of the Sarsaparilla as a preventive, advisable.

It is a mistake to suppose that so long as no eruptions or humors appear, there must be no scrofulous taint. These forms of derangement may never occur, and yet the vital forces of the body be so reduced by its subtle agency, as materially to impair the health and shorten the duration of life. It is a common error, also, that scrofula is strictly hereditary. It does, indeed, descend from parent to child, but is also engendered in persons born of pure blood. Low living, indigestion, foul air, licentious habits, uncleanliness, and the depressing vices generally, produce it. Weakly constitutions, where not fortified by the most constant and judicious care, are peculiarly liable to it. Yet the robust, also, whose habits are strictly correct, and whose systems are only exuberant vitality, are often contaminated, and on the road to its consequences. Indeed, no class or condition can depend on immunity from it, nor feel insensible to the importance of an effectual remedy.

In St. Anthony's Fire, Rose or Erysipelas, for Tetter, Salt Rheum, Scald Head, Ringworm, Sore Ears and Eyes, and other eruptions or visible forms of the disease, caused primarily by the scrofulous infection, the Sarsaparilla is so efficient as to be indispensable. And in the more concealed forms, as in Dyspepsia, Dropsy, Heart Disease, Piles, Epilepsy, Neuritis, and other affections of the muscular and nervous systems, the Sarsaparilla, through its purifying power, removes the cause of the disorder and produces astonishing cures. The Sarsaparilla root of the tropics does not by itself achieve these results. It is aided by the extracts combined with it, of still greater power. So potent is this union of healing virtues, Syphilis or Venereal and Mercurial Diseases are cured by it, though a long time is required for subduing these obstinate maladies by any medicine. Leucorrhoea or Whites, Uterine Ulcerations, and Female Diseases in general, are commonly soon relieved and ultimately cured by the invigorating and purifying effect of our Sarsaparilla. Rheumatism and Gout, often dependent on the accumulation of extraneous matters in the blood, have their remedy also in this medicine. Liver Complaints, and other ailments, are cured by the invigorating and purifying effect of our Sarsaparilla. It is a powerful and reliable remedy for all the ailments which arise from malarious, marsh, or miasmatic poisons.

As its name implies, it does Cure, and does not fail. Containing neither Arsenic, Quinine, Bismuth, Zinc, nor any other mineral or poisonous substance whatever, it is in no wise injurious any part of the system, and its use is attended with the agreeable sensations which arise from malarious, marsh, or miasmatic poisons. Many, after taking it for several weeks, have witnessed a cure of their chronic ailments, and where other remedies had failed, they have been cured.
