### RELATIVELY HIGH RETURN

The real estate mortgage is the oldest form of security known to man. And not only that—it was the safest for centuries. With the possible exception of government bonds, it is still the most conservative.

During the past year loan company funds increased over \$15,000,000 on the prairies alone. There is an immense field in British Columbia.

Our loans are placed on improved revenue-producing property in Vancouver and New Westminster. Valuations are made by experienced men and are very conservative, being finally passed on by our board of directors.

No loan is made for more than 50% of appraised value. All titles are searched and certified to by our solicitors. We attend to the many small details which are so often a cause of annoyance to the purchaser.

If you have any funds available, we will guarantee a net return of SIX PER CENT. Our entire assets is your security. We collect both principal and interest and remit yearly or half yearly as desired. Advise us how much you would like to invest just now. We will submit a list suitable to your requirements.
