C. MCGILL,
General Manager.

Ontario Bank,
Toronto, 30th May, 1896.

After a few remarks by the President, and explanations by the General Manager, the report was adopted.

The following by-law was then passed:—Whereas, by an Act of the Parliament of Canada, passed in the 45th year of the reign of Her Majesty, and chaptered 57, the Capital Stock of the Bank was fixed at \$1,500,000 divided into 15,000 fully paid shares of \$100 each

And, whereas, at the Annual General Meeting, held on the 16th day of June 1896,

the Shareholders, present, representing a majority in value of all the shares issued by the Bank, deem it expedient to reduce the aid Capital Stock to \$1,000,000, divided into 10,000 shares of \$100 each, and approved of this by-law for that purpose.

It is therefore enacted as follows:

The Capital Stock of the Bank is hereby reduced to \$1,000,000, divided into 10,000 shares of \$100 each, and such reduction shall be effected by cancelling paid-up capital to the extent of \$33 33 per share, so that for every three shares of the existing stock held by any shareholder he shall be entitled to two shares of \$100 each, and so that any holder of shares less than three in number shall be entitled hereafter to shares reduced in value in the above proportion.

This by-law shall take effect when approved by the Treasury Board, pursuant to the provisions of the Bank Act.

The Scrutineers appointed at the meeting subsequently reported that the following gentlemen were duly elected Directors for the ensuing year, viz.: Messrs. G. R. R. Cockburn, M.P., Donald McKay, G. M. Rose, A. S. Irving, R. D. Perry, D. Ulyot, and Hon. J. C. Ains.

The new Board met the same afternoon, when Mr. G. R. R. Cockburn, M.P., was elected President, and Mr. Donald McKay, Vice-President.

C. MCGILL,
General Manager.

Literary Notes.

A copy of Canon Fleming's new book on the "Art of Reading and Speaking" has been graciously accepted by Her Majesty the Queen, by H.R.H. the Prince of Wales, and by H.R.H. the Duke of York.

Lady Jeune will contribute some interesting articles on Girl's Home Studies and other kindred subjects to the new edition of "Every Girl's Book of Sport, Occupation and Pastime," which Messrs. George Routledge & Sons will bring out very shortly, and which has been edited for them by Mrs. Mary Whitley. Practical articles on dairy farming and poultry rearing by Lady John Hay will be a feature of the book, a considerable amount of space being also devoted to notes by experts on cycling, golf, fencing, skating, photography, drawing and painting, amateur theatricals, house decoration, needlework, and other other topics of special interest to girls.

Perhaps it is not generally known that "Thrums," the name by which Mr. J. M. Barrie has made the little Scotch town of Kirriemuir famous, had already been similarly used some forty years previously by a well-known lady novelist. In Mrs. Oliphant's (or, rather, Miss Margaret Wilson's) first story, "Passages in the Life of Mistress Margaret Maitland of Sunnyside, Written by Herself," which was published in 1849, we read how "the inhabitants of the town of Thrums, being assured of the learning, piety and prudence of Mr. Claud Maitland, preacher of the gospel at Dourhills, have resolved to call, invite, and entreat him to undertake the office of pastor among them and the charge of their souls."

A MOTHER'S THANKS.

SHE TELLS WHAT PINK PILLS DID FOR HER CHILD.

Suffered From St. Vitus' Dance—Lost the Use of Her Right Side and Almost Lost the Power of Speech—Cured in a Few Weeks

Aylmer, Que., Gazette.

Of all the discoveries made in medicine in this great age of progress none have done more to alleviate human suffering than have Dr. Williams' Pink Pills. We suppose there is not a hamlet in this broad land in which the remarkable healing power of this favourite medicine has not been put to the test and proved triumphant. It is a great medicine

and the good it has accomplished can only be faintly estimated. There are many in Aylmer who speak of Dr. Williams' Pink Pills in terms of praise and among them is the family of Mr. John Smith, the well-known blacksmith and wheelwright. Having heard that his daughter, Miss Minnie, had been cured of St. Vitus' dance by the use of Pink Pills, the Gazette called upon Mr. Smith to learn the particulars. Upon mentioning the matter to him he expressed pleasure in making the facts public, if it was thought that they would benefit anyone else, and remarked that he thought Mrs. Smith could probably give the particulars better than himself. Mrs. Smith said that about a year ago Minnie was attacked with St. Vitus' dance, of a rather severe nature, and a number of medicines were tried, but without any effect upon the trouble. An electric battery was also used but had no beneficial effect. The trouble appeared to be getting more severe, and finally Minnie was obliged to discontinue going to school, having lost the power of her right side. Her speech was also so much affected it was with difficulty she could be understood. She was out of school for about six months and all this time she was undergoing treatment, which, however, proved ineffective. One day Mrs. Smith saw in the Gazette the particulars of St. Vitus' dance cured by the use of Dr. Williams' Pink Pills, and determined to try them with Minnie. By the time two boxes were used Mrs. Smith was sensible of a great improvement in her daughter's condition, and after the use of four more boxes was satisfied that Minnie was completely cured, as no symptoms of the trouble remain. This was about the end of June last, and since that time there has not been the slightest recurrence of the dread disease. While Minnie was taking the pills her weight increased, and her general health was much improved. Mrs. Smith also said that her younger daughter showed symptoms of the same trouble, but the use of Dr. Williams' Pink Pills speedily dissipated it.

Dr. Williams' Pink Pills are offered with a confidence that they are the only perfect and unfailing blood builder and nerve restorer and when given a fair trial disease and suffering must vanish. They make rich, red blood and cure when other medicines fail. Sold by all dealers or sent by mail on receipt of 50 cents a box or \$2.50 for six boxes, by addressing the Dr. Williams' Medicine Co., Brockville, Ont., or Schenectady, N.Y. Beware of imitations and refuse trashy substitutes alleged to be "just as good."
