

ARTICLE VIII

1. (a) The Commission may, on the basis of scientific evidence, make recommendations designed to maintain the populations of tuna and tuna-like fishes that may be taken in the Convention area at levels which will permit the maximum sustainable catch. These recommendations shall be applicable to the Contracting Parties under the conditions laid down in paragraphs 2 and 3 of this Article.

(b) The recommendations referred to above shall be made:

(i) at the initiative of the Commission if an appropriate Panel has not been established or with the approval of at least two-thirds of all the Contracting Parties if an appropriate Panel has been established;

(ii) on the proposal of an appropriate Panel if such a Panel has been established;

(iii) on the proposal of the appropriate Panels if the recommendation in question relates to more than one geographic area, species or group of species.

2. Each recommendation made under paragraph 1 of this Article shall become effective for all Contracting Parties six months after the date of the notification from the Commission transmitting the recommendation to the Contracting Parties, except as provided in paragraph 3 of this Article.

3. (a) If any Contracting Party in the case of a recommendation made under paragraph 1(b)(i) above, or any Contracting Party member of a Panel concerned in the case of a recommendation made under paragraph 1(b)(ii) or (iii) above, presents to the Commission an objection to such recommendation within the six months period provided for in paragraph 2 above, the recommendation shall not become effective for an additional sixty days.

(b) Thereupon any other Contracting Party may present an objection prior to the expiration of the additional sixty days period, or within forty-five days of the date of the notification of an objection made by another Contracting Party within such additional sixty days, whichever date shall be the later.

(c) The recommendation shall become effective at the end of the extended period or periods for objection, except for those Contracting Parties that have presented an objection.

(d) However, if a recommendation has met with an objection presented by only one or less than one-fourth of the Contracting Parties, in accordance with subparagraphs (a) and (b) above, the Commission shall immediately notify the Contracting Party or Parties having presented such objection that it is to be considered as having no effect.

(e) In the case referred to in subparagraph (d) above the Contracting Party or Parties concerned shall have an additional period of sixty days from the date of said notification in which to reaffirm their objection. On the expiry of this period the recommendation shall become effective, except with respect to any Contracting Party having presented an objection and reaffirmed it within the delay provided for.
