

CONFERENCE ON DISARMAMENT

RESEARCH REPORT ON
VERIFICATION OF A CHEMICAL
WEAPONS CONVENTION

RECOMMENDED OPERATING PROCEDURES FOR
SAMPLING AND SAMPLE HANDLING

PART XI

I have the honor to refer to the research report entitled
"Verification of a Chemical Weapons Convention - Recommended Operating
Procedures for Sampling and Sample Handling, Part XI". This research report
represents a further contribution to the verification in the
Convention on the prohibition of chemical weapons.

I would like to express my appreciation for the assistance of
the experts of the Conference on Disarmament, as well as the Ad Hoc Committee on
Chemical Weapons.
