At Memorial Park, the Canada
space — a quality of the
in Japan and therefore greatly
the exhibition and reception
layout takes the visitor on a
journey across eastern Canada, the
Atlantic Ocean, down the Mackenzie
River and the Rockies to Vancouver
Island "stepping stones,"
and in a Japanese-style garden.
It stands a modern representation
from Inuit hunters to decoy animals.
The Affin Island Corporation. The
bronze sculpture by Maryon

Artist's Impression of the Canada Garden
