Programme:

Coopération dans le domaine des  
communications

Domaine d'activité  
Field of Activity:

Cooperation in Film and Video

Description:

Canada Film Year - 1989

Origine/Background:

Canada seeks to increase cooperation in the co-production of film and video, and add an international dimension to this event.

Objectifs/Objectives:

To increase the knowledge of Canadian Film and Canadian artists, creators, producers and directors.

One of the activities which could form part of this project could be to encourage the exchange of film directors and visits of producers during that year. Financial implications have not yet been finalized but existing programs might be applied should additional funds for this particular aspect not be made available.

Décision et mise en oeuvre/Decision and Implementation:

The two sides will continue to encourage meetings between producers and film specialists in order to achieve concrete proposals. The Embassy and institutions on both sides will propose particular events to facilitate these meetings and to promote proposals for coproduction.
