

Who, having communicated to one another their full powers, found in good and due form, have agreed as follows:—

CHAPTER I.—DEFINITIONS

Article 1

Except where otherwise expressly indicated, the following definitions shall apply throughout this Convention:—

1. The term "Geneva Convention" shall denote the International Opium Convention signed at Geneva on February 19, 1925.

2. The term "the drugs" shall denote the following drugs whether partly manufactured or completely refined:—

Group I.

Sub-group (a):

(i) Morphine and its salts, including preparations made directly from raw or medicinal opium and containing more than 20 per cent of morphine;

(ii) Diacetylmorphine and the other esters of morphine and their salts;

(iii) Cocaine and its salts, including preparations made direct from the coca leaf and containing more than 0.1 per cent of cocaine, all the esters of ecgonine and their salts;

(iv) Dihydrohydroxycodeinone (of which the substance registered under the name of eucodal is a salt); dihydrocodeinone (of which the substance registered under the name of dicodide is a salt), dihydromorphinone (of which the substance registered under the name of dilauidide is a salt), acetyldihydrocodeinone or acetyldemethylodihydrothebaine (of which the substance registered under the name of acedicone is a salt); dihydromorphine (of which the substance registered under the name of paramorfan is a salt), their esters and the salts of any of these substances and of their esters, morphine-N-oxide registered trade name genomorphine), also the morphine-N-oxide derivatives, and the other pentavalent nitrogen morphine derivatives.

Sub-group (b):

Ecgonine, thebaine and their salts, benzylmorphine and the other ethers of morphine, and their salts, except methylmorphine (codeine), ethylmorphine and their salts.

Group II.

Methylmorphine (codeine), ethylmorphine and their salts.

The substances mentioned in this paragraph shall be considered as drugs even if produced by a synthetic process.

The terms "Group I" and "Group II" shall respectively denote Groups I and II of this paragraph.

3. "Raw opium" means the spontaneously coagulated juice obtained from the capsules of the *Papaver somniferum* L., which has only been submitted to the necessary manipulations for packing and transport, whatever its content of morphine.

"Medicinal opium" means raw opium which has undergone the processes necessary to adapt it for medicinal use in accordance with the requirements of the national pharmacopœia, whether in powder form or granulated or otherwise or mixed with neutral materials.
