IMMIGRATION

ANNOUNCEMENT OF AMENDMENT TO REGULATIONS
RESPECTING FIANCEES

Hon. Ellen L. Fairclough (Minister of Citizenship and Immigration): Mr. Speaker, may I ask permission to revert to motions to make an announcement?

Mr. Speaker: Has the minister permission to revert to motions to make an announcement?

Some hon. Members: Agreed.

Mrs. Fairclough: I wish to make an announcement with reference to an amendment to the immigration regulations as they affect the admission of fiancées. Heretofore the fiancée of a Canadian citizen or of a person admitted to Canada for permanent residence was admitted as an immigrant on the condition that he or she would marry the sponsoring fiancée within 30 days following arrival in Canada.

In future fiancées will be allowed entry as non-immigrants under the authority of a minister's permit issued under section 8 of the Immigration Act. Admission for permanent residence will be granted only after they have married.

The effect of this amendment is to provide more flexibility for the handling of fiancée applications and to expedite the granting of permanent residence to fiancées once they have become legally married.
