

Motion (Mr. Burghardt) agreed to.

Hon. Yvon Pinard (President of the Privy Council) moved:

That the Address be engrossed and presented to His Excellency the Governor General by Mr. Speaker.

Mr. Nielsen: Mr. Speaker, I rise on a point of order. I am sorry but I was in the lobby. I heard the Chair say that the motion was carried on division. I heard the Chair say, "Carried on division". Am I confirmed in that?

The Acting Speaker (Mr. Guilbault): Yes.

Mr. Pinard: Mr. Speaker, we are happy the motion is carried, but quite frankly we thought it was carried, period. It was after you said "carried" that somebody shouted, "On division".

Some Hon. Members: No.

The Address—Mr. Cook

Mr. Pinard: If the Opposition wants a recorded division, we are ready to have one, but we are happy the motion is carried. It is because I took it for granted that the motion was carried that I was able to move the motion I just moved.

The Acting Speaker (Mr. Guilbault): The Chair heard "on division", and I remember saying as occupant of the chair that the motion was carried on division. Is it the pleasure of the House to adopt the motion moved by the President of the Privy Council?

Mr. Nielsen: On division.

The Acting Speaker (Mr. Guilbault): Carried on division.
Motion (Mr. Pinard) agreed to.

The Acting Speaker (Mr. Guilbault): It being 5.50 p.m., this House stands ajourned until tomorrow at eleven o'clock, pursuant to Standing Order 2(1).

At 5.50 p.m. the House adjourned, without question put, pursuant to Standing Order.
