The Bank League semi-finals were staged at the Arena last night, and both games were hummers from start to finish. In the first game, Dominions and Royals came together, and, altho the

Ald. M. Rawlinson

President Ald. Rawlinson entertained a rink from each of the other city curling clubs at the Granite last night, and everyone enjoyed himself. The popular presiding officer first pitted six Granite teams against the visitors and the home players were up five out of six.

T. Rennie was down to the friends from Queen City. Ald. Rawlinson himself, with Squire Brunton playing third, had a margin on President Lightbourn of the Torontos. Harold Beatty finished stronger than Vice-President Fred Gilding of the Aberdeens. Bob Duthie beat Aubrey Bond of High Park by four shots, while John Rennie and E. B. Stockdale took care of Parkdale and Lakeview.

Play finished at 10.15, when the twelve rinks adjourned to the dining hall, where the host welcomed his guests, who expressed themselves as delighted with the entertainment.

Red Sox Ask for Waivers on Engle

BOSTON, Feb. 24.—Waivers have been asked upon Clyde Engle, utility infielder of the Red Sox, one of whose files in the world's series resulted in Snodgrass' memorial muff and was a big factor in giving Boston the world's championship. The pennant emblematic of the world's championship, it was learned tonight, will be raised at Fenway Park June 25, with the New York Highlanders as opponents. The American League championship flag will be flown first on June 3, in the presence of the Chicago White Sox.

The officials will be: H. H. Tro Geo. Lightwood, G. F. Gleseckie.

Kodaks Defeat Eatons In Commercial League

Royals came together, and, altho the score was a little one-sided, the play t times was very spectacular. The red and black were without the services of Brick Gordon, but Murphy was coaxed into the game, and the Irishman was the best man, as usual, for them. After a battle to the finish, Dominions won by the score of 6 to 1. The teams:

Dominions (6)—Goal, Rice; point, Murphy; cover, Sprague; rover, Allen; centre, Cook; right, Clancy; left, O'Flyan.

Royals (1)—Goal, Fraser; point, Russell; cover, Prangley; rover, Riddell; centre, McDougali; right, Creighton; left, Roemigh. phy: cover, Sprague; rover, Allen; centre, Cook; right, Clancy; left, O'Flynn.
Royals (1)—Goal, Fraser; point, Russell; cover, Prangley; rover, Riddell; centre, McDougall; right, Creighton; left; Roenigh.

The second struggle was between Commerce and Standard, and it was only after ten minutes of overtime that the former were able to win out by the score of 4 to 3. The, game was fast and hard all the way, but the Standard were unable to stand the pace and faded in the overtime. Lawson was the best man on the ice, and he roamed all over in a gigantic effort to tie things up. It was a hard game to lose, and considerable feeling was displayed by the losers over certain features of the game. The teams:
Standard (3)—Goal, Summerfeldt; point, Lawson; cover, Shaw; rover, Avery; centre, Washburn; right, Hawley; left, McCutcheon.

Commerce (4)—Goal, Laird; point, Davidson; cover, Swenerton; rover, Pope; centre, A. G. Smith; right wing, Jarvis; left wing, H. Smith.

Dominion and Commerce will meet in the finals on Thursday. Lew Brown handled the games.

Canadian Indians.

On Saturday the tribe assembled at Belleville to shoot a match against all-comers at the Belleville Gun Club.

It would seem that the tribe is in disfactor with "Old Probs," as the class of weather which he has dealt out to them has been of the most strenuous kind. On Saturday he gave them hall and rain,backed up by a cold, strong wind, which made good shooting impossible, and many a brave was hit in the eye with his deadly hallstones and then treated to a cold shower bath to cool his temper and dampen his ardor. However, every brave methin in open combat, and under the crafty guidance of the high chief no scalps were lost. The tribe nobly defended their flag against the skill of all-comers by the good margin of 23 birds.

In the evening the tribe gave a sumpmargin of 23 birds.

In the evening the tribe gave a sumptuous feast and smoked the pipe of peace.

Next day, when they took the trail to return to their wigwams, it was amid the strains of Hymns Nos. 4 and 5, "We Are Going Away From Here," and "Show Me the Way to Go Home."

All World's Champions Coming.

A big high-powered racing car and an elaborate limousine, both the property of Champion Jaok Johnson, will have to be shipped back to Chleago by Tom Flanagan right away. Yesterday the immigration department issued an order to prevent the big smoke from entering Canada. That means that he will not appear with the all-world's champions' outfit at Riverdale Arena on March 4. Yesterday's despatches stated that he was critically ill with pneumonia and unable to appear for trial at Chicago. Unable to secure the new Arena, Mr. Flanagan was on the verge of abandoning his all-champions scheme, but finally arranged for Riverdale Arena for Tuesday, March 4. The promoter is endeavoring to arrange a couple of bouts between local or Rivestlers.

Record Crowd Will See St. Migues and T. R. & A. A. at the Arena-The Betting.

Tonight's Senior O.H.A./ final game promises to give the new high attendance mark set at the Midland-St. Michaels game a boost.

The dyed-in-the-wool stayed out in the zero weather all Sunday night to get a chance at the pasteboards when they went on sale at the Arena yesterday morning. Some two thousand were in line when the ticket office opened and every seat had been gobbled up an hour later.

line when the ticket office opened and every seat had been gobbled up an hour later.

The entire section at the north end, capable of seating 1500 and more remains. They will be sold as rush seats tonight to satisfy the public still uncared for. It is more than likely that more people will, however, be turned away than last Friday, when 2500 could not get in.

St. Michaels are favorites, some wagers being made at 2 to 1 on them. What ever they might be in first-class condition, they certainly are not better than an even money bet for tonight's game. They are suffering from injuries out of the Midland series and are really far from their best.

Laflamme's leg is really bad, and now Gordon is confined to bed with la grippe. Frank Rankin, will in all probability play at rover, shifting McCamus to the wing. With Gordon out, that is pretty nearly the only thing left.

St. Michaels, tho they have three players who are somewhat crippled, are astonishingly confident regarding the outcome. They figure that the light Toronto line will not stand the gaff and that they will weaken under pressure. Particular attention, of course, will be pald to Mecking and Mackenzie, the paperweights on the attacking division, who in all, the games played by the Torontos this year have been foremost in the matter of goal-scoring. But the blue and white have been in many tough games this year and have not stopped. In nearly every game they have been in the rear at half, time, only to come on at the finish. On condition alone they are entitled to more than extra consideration.

There was a rumor around the Arena last night that Jerry Laflamme would be an absentee when the St. Michaels line up tonight. Dr. Jerry has a very sore leg and this is given as the cause.

The O. K. hockey team will have its last ractice before the game with St. Marys n Wednesday night, between nine and en, at Clinton Street Rink.

EATON'S

Of Interest to Horsemen Buggies. Delivery Wagons. Harness and Accessories.

R EPORTS FROM THE SOUTH that the geese are already flying north and other indications of an early Spring would seem to portend that whatever the thermometer may register the Winter which came so late is already nearly over. This means that horse owners in town and country will be thinking of new vehicles, new harness and accessories; therefore, they will be interested in the big display which will be found in the newly-arranged department in the Basement of the Furniture Building.

Here are vehicles and trappings of many kinds, all moderately priced. In fact, many of the low prices have only been attained after months of careful planning.

A full-sized Buggy, for instance—a 1913 model—with steel tires, made of well-seasoned wood and thoroughly reliable in construction and workmanship, delivered in any part of Ontario, is 64.00

Better grade Buggies, in various styles, are procurable up to 175.00

A well-constructed Delivery Wagon, with covered top, which will carry from 1200 to 1500 pounds, and is suitable for grocers and butchers, is 80.00
