Only Loyalty or Treason.

KAISER COVETS AFRICA ENEMY WELL FORTIFIED CANNONADE IN CENTRE

German Colony-Enemy Must Be Crushed.

LONDON, Sept. 29. 6.45 a.m.-A detch to the Reuter Telegram Comany from Capetown says that in the in the Transvaal, General Louis Botha, premier of South Africa, emphasized the necessity of loyalty to the British empire.

Declaring that the policy of neutral
Declaring that the policy of neutral-

Declaring that the policy of neutralmillion pounds sterling on them it would help the people very little to say that they were neutral.

General Botha said that he was animated thru a sincere love of his animat

people and wished to put the position truly before them. There were only courses open, first, loyalty and and second, disloyalty and trea-

He justified the exportation of South nent. He said he had information rding German ambitions concern-South Africa which would make hair of his hearers stand on end. The fact of the matter was that the German Emperor wanted to go down o posterity as a second Napoleon. Incidentally he also wanted a place to end Germany's surplus population and South Africa appealed to him as a

The speech was received by the others. Boers with vociferous cheers, and a resolution of confidence in Gen. Botha was carried by acclamation.

BRITISH CHURCHMEN **REPLY TO GERMANS**

"Evangelical Christians" Declared to Be Wrongly Based.

FACTS IRREFUTABLE

over it the man-Germany Must Shoulder Responsibility of Having Caused War.

Special Direct Copyrighted Cable to The Toronto World. LONDON, Sept. 29.—A manifesto battle to siege warfare already has been issued headed "A reply to the appeal of German theologians,"

The growing resemblance of this battle to siege warfare already has been pointed out. The fact that the later actions of the Russo-Japanese the appeal of German theologians," and signed by the heads of the established church and the leaders of the dissenters, which refers to the German tralized in Montgelical Christians abroad and signed, ns on the prairies te right. If they in the language of the reply, "by bro-thers and friends of our own in the Church of Christ, of whose honesty,

> no conceivable question."
> The reply continues: "It fills us with amazement that those occupying posi-tions such as do the signatories of this he war which departs so strangely from what seem to be plain facts.
> "In this grave hour of European istory it has not been a light thing to give our assent to the action of our ernment, but the facts have made impossible to do otherwise.

pacity and good faith there can be

to their plighted word and the duty tions.
of defending weaker nations against "To nding weaker nations against

The manifesto seriews the course of the negotiations between the European nations which preceded the war, and draws the deduction that Great Britain endeavored to the negotiations which precedes the series one which will bear repetition if it in any way assists to make the present situation clear. Britain endeavored to the utmost to maintain peace, and that Germany did not co-operate in the endeavor.

"The facts are incontestable," says the manifests. "Incredible as it seems, we can only suppose that the honor-able and gifted men signing the German appeal were unaware of the obligations by which we were bound or of the story of the negotiations.

"The violation on our part of such promises would have been an act of the basest perfidy. Peace is dear to us, but the principles of truth and

ALLIES REPULSED AIRMEN RENDERED

No Middle Course in War, British Aviator Wounded, Chief Active Fighting Be-Another Dropped Bomb on Artillery Horses.

Wishes to Turn Union Into Heavy Artillery Fire Wide of French Troops Make Slight Mark and Ineffective, British Report

> Canadian Press Despatch. LONDON, Sept. 29.—The official press bureau today gave out a statement which says:

pany from Capetown says that in the course of a speech addressed to five which has been communicated by an thousand people at the town of Bank, the Transvaal, General Louis Botha, eval headquarters, continues and sup-

beclaring that the policy of neutrality was absolute nonsense, he pointed out that if a German warship came to Durban and imposed a levy of five million pounds sterling on them it nothing more than inconvenience, however, was caused.

British Airman Is Wounded.

"The welcome absence of wind gave

our airmen a chance of which they took full advantage by gathering much information. Unfortunately one of our aviators, who had been partion. There was no middle course.

The German tortoise, Gen. Botha went on to say, had for once stuck its head too far out and was in grave danger of being trodden upon.

He justified the experiation of South in an endeavor to get within pistol shot, he was hit by the observer of the German machine, who was armed with a rifle. He managed to fly back over our lines, and by great good luck he descended close to a motor amoulance, which at once conveyed him to

a hospital.

Flyer Exploded Bomb.

"Against this may be set off the fact that another of our flyes exploded a bomb among some artillery horses, killing several and stampeding the of Rheims, the road from Rheims to the country of Rheims, the road from Rheims to the country of Rheims, the road from Rheims to the country of the results known

others.

"On Thursday, Sept. 24, the fine weather continued, as did the lull in the action, the heavy German shells falling mostly near Pargnan (12 miles southeast of Laon).

"On both Wednesday and Thursday the weather was so fine that many flights were made by the aviators, French, British and German. These produced a corresponding activity amproper of the state of

produced a corresponding activity among the anti-aircraft guns. So still and clear was the atmosphere towards evening on Wednesday and during the whole of Thursday that to those not especially on the lookout, the presence of aeronlayes high above them. of aeroplanes high above them was first made known by the bursting of the projectiles aimed at them. The puffs of smoke from the detonation whell bursting of the detonation and the detonation where the detonation are the detonation are the detonation and the detonation are the detonation are the detonation. shell hung in the air for minutes on end-like balls of fleecy cotton wool before they slowly expended and were

"From the places mentioned as being the chief targets for the enemy's heavy howitzers, it will be seen that definite areas in which their aviators think they have located our guns, or think they have located our guns, or upon villages where it is imagined our troops may be billeted. The result will be to give work to local builders. "The growing resemblance of this

thought by many to have been due to exceptional causes, such as the narrowness of the theatre of operation between the Chinese frontier on the west and the mountainous country of Northern Korea on the east: the lack of roads, which limited the extent of ground over which it was possible for the rival ermies to manoeuvre and the fact that both forces were tied to one line of rottless of the battle of the Marne. The charge of the battle of the Marne. The charge of the battle of the Marne. line of railroad. Such factors are not exerting any influence on the present battle. Nevertheless, a similar situa-tion has been produced, owing, first, dons such as do the signatories of this to the immense power of resistance ippeal should commit themselves to possessed by an army which is amply equipped with heavy artillery and has sufficient time to fortify itself; and, second, to the vest size of the forces engaged, which at the present time stretch more than half way across France. The extent of the country covered is so great as to render slow any efforts to manoeuvre and march No Alternative.

"For men who desire to maintain their paramount obligation of fidelity tack against heavily fortified posiaround to a flank in order to escape tack against heavily fortified posi-

"To state that the methods of at violence and wrong, no course was tack must approximate more closely other than that our govern- to those of a siege warfare, the greater the resemblance of the defence is to

"There is no do that the position on the Aisne was not hatily selected by the German staff after the retreat had begun. From the choice of ground and the care with which the fields of fire had been arranged to cover all possible avenues of approach, and from the amount of work already carried out, if its clear that the contingency of having to act on the defensive was not overlooked when the details of the strategically offensive degree of perfection never before atcampaign were arranged."

enemy).

Canadian Press Despatch.

TOULOUSE, France, Sept. 29.—Via Bordeaux, 5 p.m.—Ex-Premier Georges Clemenceau's newspaper. Homme Libre, which was transferred to this city from Paris, has been suspended for eight days by Gen. Bailloud.

The governor of Toulouse asked M. Clemenceau to take out several passages of an article in today's issue which he considered too violently worded. M. Clemenceau flatly refused and the general confiscated the whole and ordered the suspension of the newspaper.

FIVE YEAR TERM FOR BURGLAR AT BROCKVILLE

Canadian Press Despatch.

PARIS, Sept. 29.—On our left wing along the River Somme, the French official statement issued this afternoon says, the Germans attempted numerous attacks which the allies repulsed. BROCKVILLE, Ont., Sept. 29.—Before Judge McDonald in the county judge's criminal court, where he elected a speedy trial, Joseph Johnston pleaded guilty to five charges of burglary committed here. Notwithstanding his plea for leniency on the ground of his having been intoxicated, the prisoner was sentenced to the Kingston Penitentiary for five years, Johnston claimed to have lived in Toronto. First—On our left wing, to the north of the Somme and between the Somme and the Oise, the enemy both by day and by night, delivered several attacks which have, however, been repulsed. To the north of the Aisne there has been no change.

"Second—On the centre, in Champagne and to the east of the Argonne the enemy has restricted his activities to heavy camponading. Between the ston claimed to have lived in Toronto where he gave boxing exhibitions under the name of "Kid" Johnston. He expressed a strong desire to go to the front with the Canadian overseas con-

FAVORS ACQUISITION.

The board of control will be asked to report funds to allow the city to take over the work of the Boys' Dominion. The parks commissioner recommends it. The cost at the present time will be \$8009.51. This acquisition is considered a great aid to the city's playground work. "Generally speaking our line runs from the east to the west thru the region of Pont-a-Mousson, Apremont and the Meuse, thru the region of Saint Mihiel, along the heights to the north of Spada and thru a portion of the heights of the Meuse. To the southeast of Verdun, between Verdun and Rheims, the general front is indi-

"The Austrian sorties from Przemysl remain unsuccessful.

"In the retreating Austrian army considerable disorganization is noticeable, units being broken and mixed up. We continue to take prisoners in large numbers as well as capturing guns and war material of every description."

MORE CHOLERA CASES

FOUND IN BUDAPEST

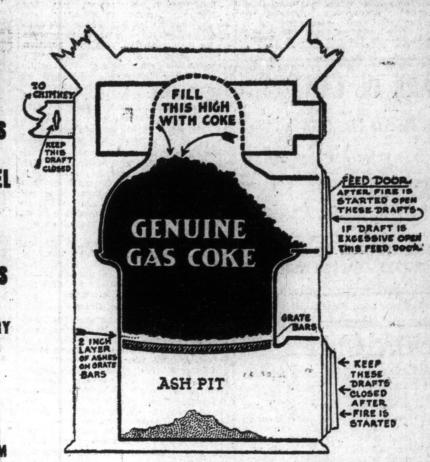

Canadian Press Despatch.

LONDON, Sept. 29, 4.40 a.m.—A despatch from Rome to the Exchange Telegraph says that a message from Budapest asserts that the minister of the interior has announced that fifteen new cases of choiera were discovered in the city's military hospital Monday morning.

When You Burn Genuine Gas Coke You Are Saving Money

Genuine Gas Coke must not be confused with the cheap, so-called "American" Coke, which is claimed to be just as good. There are none just as good.

Genuine Gas Coke gets your whole house heated before a coal fire is hardly under way. Genuine Gas Coke gives absolute satisfaction to all who know how to use it. Thousands of people are using it. Thousands more are going to try it this winter. If you are doubtful about its value, send in a trial order of fifty bushels and you will be convinced of its excellence.

CENTS PER BUSHEL AT THE GAS

WORKS DELIVERY EXTRA

SEE NOTE AT BOTTOM

When Genuine Gas Coke is properly burned it will last as long as hard coal. Ton for ton it is cheaper than hard coal. It will burn fiercely hot if desired, or it will burn with gentle, even heat, depending upon the degree of heat wanted. It needs little attention and you get just as much heat ton for ton as you do out of hard coal. Genuine Gas Coke, as produced and sold by this company, is the pure carbon that remains

after the gas, tar, smoke, and soot have been removed from the highest grade gas coal. Burn it our way and you will use it all the time. For furnace use it can't be beat. Send for free booklet, "How to Burn Genuine Gas Coke."

PER BUSHEL At The Gas Works

10 cents per bushel, delivered within reasonable distances, if ordered in lots of 50 bushels or more. Telephone Adelaide 2180, and our coke department will tell you just what it will cost to send it to your home.
