Builders of the Mutual

"In no one thing has the Mutual of Canada been more blessed than in having its destinies directed by men whose single-mindedness and honesty of purpose have never been excelled."—Hume Cronyn, M.P.

The exceptional ability of the builders of the Mutual is shown in the results of their work—a Company established upon an unshakeable financial basis having a membership of about 70,000; assets of \$38,000,000 and assurances in force of \$170,000,000.

Among those men whose efforts helped in the building of the Mutual was the late William Hendry, who joined the company in 1870. With him were associated others of like energy and consecration who gave the Company its noble traditions which are being followed to-day.
