"Eureka Spring Glove Fastener," justly
acknowledged the most perfect Fastener in use.Patented in Canada, the United States and Great
Britain.Foreign Offices: { Spruce St., New York, U.S.A.
{ Lime Grove, Birmingham, Eng**Commercial Summary.**THE Directors of the Kingston and Pembroke
Railway Co. assert that their new road will
connect with Pembroke before two years hence.CAPT. CAMERON of the S.S. *Princess of Wales*
has gone to England to purchase an iron screw
Steamship for the P. E. Island Steam Navigation
Company.The expansion of trade in the dry goods line
in Kingston is rather remarkable; no fewer
than five new stores have been recently estab-
lished in that city.JAMES AGNEW, boot and shoe dealer, Fenelon
Falls, Ont., has failed, and given a bill of sale
to a reputed sharp leather house in Toronto. A
few of his creditors reside in this city, but no
statement of affairs has yet been received.The hauling of phosphates throughout
Ottawa County, both on the roads and rivers,
has been stopped by the breaking up of the
roads, and a great deal of phosphate will not be
got out; many pits are flooded.The Halifax Banking Company have opened
an agency under the charge of Mr. Gordon H.
Ross, at Shelbourne, N.S., and will undertake
collections at the following points on the coast:
Cape Sable Island, Barrington, Port La Tour,
Clyde River, Jordan River, and Lockeport.KENT COUNTY, Ontario, appears to be a favor-
able locality for raising clover seed. Four buyers
at Chatham have purchased during the present
season for the European markets over thirteen
thousand bushels, netting for the raisers in that
immediate vicinity nearly seventy thousand
dollars.EUGENE BOREHAM, a Halifax boot and shoe
dealer, has assigned to Messrs. Samuel Bore-
ham & Robert Taylor, of that city. The news
is rather surprising to the Montreal creditors,
as Boreham has always paid well, and was re-
garded as sound. It is believed by some that
the cause of the difficulty is outside of the
business, though no particulars are yet to
hand.
