

pr. \ Selfe Knowledge = Homogeneity, Specifications &
affinity or unity. multiplicity & one-many or
stability expressed in space by conception, per-
ception, concept-percept or subject-object = world and
it cannot be fully realized in experience.

homogeneity = soul. Specifical world, Affinity = soul-world =
it is ever attracted to itself ever repelled from it, adop-
ting a perceptive understanding as the only final
harmony of perception & conception.
