

# DO YOU WANT TO MAKE MONEY?

---

No business pays so well as an agency for popular Histories, and Illustrated Bibles and Biblical works, for they are the class of books that every intelligent person wants, and is always ready to buy. The only difficulty in the matter is to secure a ***Valuable and Popular Series of Books***, and such pre-eminently are the works that we are now publishing. No series published will compare with them in *real value, interest, and popularity*.

Being the most extensive subscription book Publishers in the United States, and having four houses, we can afford to sell books cheaper and pay Agents more liberal commissions than any other company.

Our books do not pass through the hands of General Agents, (as nearly all other subscription works do,) therefore we are enabled to give our canvassers the *extra per cent.*, which other publishers allow to General Agents. Experienced canvassers will see the advantages of dealing directly with the publishers.

By engaging in this business young men will ***educate*** themselves in that knowledge of the country, and of men and things, which is acquired only by traveling and observation, and which is recognized by all as essential to every business man.

Old agents, and all others who want the ***Best Paying Agencies***, will please send for circulars and see our terms, and compare them, and the character of our works, with those of other publishers.
