## VANCOUVER EVENED UP WITH TORONTO

Winning Second Game of  
Stanley Cup Series by  
Two Goals.

## PLAYED WESTERN RULES

Challengers Secured Their  
Whole Margin in the  
Second Period.

Vancouver evened up the count in the Stanley Cup series when they defeated the blue shirted but 4-4 score in a game played under Pacific Coast League rules at the Arena Saturday night before a capacity house. The rules that governed this game are entirely different from anything seen around here, and the majority of the crowd went home satisfied that they do not in any way compare with the rules in vogue in the National Hockey League. They provide for seven players on each team, and allow almost everything except putting the puck in the players' pocket in a marked area of action in the centre of the rink. This allows a man to take off his passes under the eastern rules of as far as sixty feet, and the hard backchecking and speedy skating of the Toronto forwards was not in evidence, the handicap of a man taking a pass thirty or forty feet away being too great to overcome.

The blue shirts were even farther at sea in this going than were their opponents when playing under eastern rules, and the two extra players seemed to be always in the way.

The Toronto were never in the hunt after the first period, which ended 1-1. They were behind, 4-2, at the end of the second, and 6-4 at the finish.

Toronto started off fast and peppered Lehman in the first five minutes, and had several good chances but the Vancouver goalie was invincible. Munnery chased McKay into the corner on a rush and drew a penalty for mixing it too strenuously. In the mix-up Munnery's skate caught Judge in the face and he returned for repairs, and after a short delay referee decided to continue without him. Cameron got a great hand without him. Skinner hit a spectacular in the ear with a shot down the boards, but no danger. The referee merrily came back on and shortly after he went down with Skinner, and the latter was on hand for the rebound. Taylor scored Vancouver's first goal when he took a pass from Stanley when right in on Holmes.

Second Period.

Lehman fell headfirst on the ice when he was coming out at the start of this period, and the crowd had a laugh. Noble went over to left wing, and Denny was playing rover for the blue shirts. Randall drew a rest for backing into Stanley when he had the puck. Taylor scored a lucky goal. He took a pass when well out, and off a long shot sifted one between Holmes' legs. Cameron started down the ice, but lost possession at centre, and the Vancouver forwards came back three abreast, with only Munnery, and Holmes turned it aside. McKay put Vancouver two in front when he took a pass from Stanley, shot from out, and carried the puck behind the net. Randall drew a ten-minute penalty when he turned McKay upside down. He was replaced by Denny after he had served three minutes. McKay shot from out, and goal of the game when he hit in the rebound of Stanley's shot. Cameron unhooked a great rush and beat Lehman easily, when the defence opened up and let him shoot between them.

Third Period.

Cameron had hard luck at the start of this period. He made a great attempt for a goal on a lone rush, and followed it up by missing the net when he took a pass from Munnery a minute later. Munnery collided with Maynes when returning to his position after the play had been stopped for an offside, and the speed artist took the count and was assisted off for repairs. He was replaced by McDonald. Vancouver secured a five-goal lead when he went down alone and bumped it into a wall at Taylor's arm, and Taylor also retired to have the wing fixed up. The game threatened to develop into a regular Donnybrook at this stage, and the officials were kept busy chasing the offenders to the bench. Skinner and Noble went up together, and the former meeting crashed big Griffiths into the boards, and both he and Randall went

## Military Billiard League

The closing week has seen some exciting matches played in the Military Billiard League. The G. W. V. A. team, which had held the foremost position, has been compelled to take second place to the Military Orthopaedic Hospital team, the latter club playing very fine billiards, and threatening to become champions. They scored a 6 to 0 victory over the R. F. C. on Friday evening last. Below will be found the present standing of the league:

	Won.	Lost.
Military O. H.	58	20
Great War Veterans	55	23

Spadina Hospital	21	59
College Hospital	27	51
R. F. C. Eng. Rep. Park	23	61

off. Toronto sent Denny on as a substitute, and there was a howl from the Vancouver bench. After considerable talk, in which the officials consulted everybody, including the players, he was allowed to go on under the rule that when a player suffers a major penalty his team is allowed to substitute for him after three minutes of the penalty has expired. McKay secured another goal when he tore down the side at a terrific clip, and eluded the defence, going right in on Holmes. Skinner secured the last goal of the game when he combined with Denny, with only a few seconds to play.

## Soccer Games Saturday New York Interstate In U.S. National League Bowling Tournament

At New York.—In a routine National League game on Saturday the District soccer team of Tacoma, Pa., drew with the creek New Yorkers, each side scoring one. Both goals were scored in the second half, Coursey breaking clear thru for District's and netting with a rasping shot, while Bleich equalized from a corner for New York five minutes from time. Fifteen hundred persons saw the game.

At Bridgeport.—Before a record crowd of 4000 soccer enthusiasts West Hudson knocked out the Paterson team in the fourth round of the National Challenge Cup competition at Clark's Athletic Field. At half-time the Hudsons led by 2 to 1, scored by Hemmley, Brown and Stark, to which Nelson responded for Paterson from a penalty. After the interval Hudson pinned their opponents in for 20 minutes, but failed to score. Further goals by Hemmley and Stark enabled West Hudson to run out winners by 5 to 1 and enter the semi-final.

At Bridgeport.—Batting hard for two hours in their third round American Cup tie before a record crowd, Bridgeport City and Hubbard and Wilcox soccer teams failed to reach a decision. Satterthwaite, the former English League player of the famous Woolwich Arsenal Club, scored for the home team 15 minutes after the interval, and Hoken equalized in the first minute of the regulation period from a hand scramble in the goal mouth. Extra time was played, but without result. Both teams finished with nine men, Jones and Forsyth of Bridgeport, and Miller formerly with St. Mirren of the Scottish League, and Muir, of Babcock and Wilcox, being ordered off the field for fighting.

## OAKWOOD H.S. TEAM WINS CHAMPIONSHIP

Defeating Parkdale, Harbord and Commerce at Athletics and Swimming.

The West End Y.M.C.A. was the scene of athletic and swimming competition on Saturday when the high school of the western section held their annual championships.

On account of lack of time only three competitors from each school for each event were allowed. This of course brought in actual final competition the cream.

Points were given for every place, twelve for first, eleven for second and so on.

The team championship banner was presented to the captain of the Oakwood team at the supper. The following was the point standing: Oakwood 200, Parkdale 195, Harbord 187½, Commerce 110.

Standing broad jump.—A. Young of Oakwood carried off the honors in this event with a leap of 9' 1½". T. Smith of Parkdale and W. Snyder of Oakwood tied for second place, clearing 8' 7½". Point standing: Oakwood 200, Parkdale 17½, Commerce 16, Harbord 15.

Running high jump.—As usual there is great competition whenever this contest is put on and yesterday was no exception for the boys went to it for inches.

C. Keeler of Commerce and F. Ecken of Parkdale, two of the best boy jumpers, stood at 6'; E. Birch of Oakwood landed in second place with a jump of 4' 10". Point standing: Oakwood 25½, Parkdale 20½, Harbord 17½, Commerce 14½.

800 yd. run.—W. Snyder of Oakwood, while winning this contest, had to go his limit to beat C. Keeler of Commerce. Snyder's run was 40" and that of Keeler one foot behind. H. Pugh, the popular football captain of Oakwood, landed in white heat equalized from a corner for Oakwood 2½. Point standing: Oakwood 31, Parkdale 17, Harbord 16, Commerce 14.

Relay race.—Great interest was shown in this event, which by the way is one always looked forward to by the spectators. The contest would have been much closer had not one of the Oakwood team on the turn slipped. Due credit must be given to the Parkdale team for their varied and fast. Result: Parkdale, 35 sec.; Harbord, 35 2-5 sec.; Commerce, 35 3-5 sec.; Oakwood, 37 sec. Point standing: Parkdale 20, Harbord 15, Commerce 10, Oakwood 5.

The contest in the swimming tank was just as keen as the one on the track. The heat of the water did not seem to make the boys any less keen. The contest was won by the Oakwood team, who beat the Harbord team by a margin of 10 seconds. The Oakwood team consisted of W. Snyder, H. Pugh, C. Keeler, and F. Ecken. The Harbord team consisted of E. Birch, H. Pugh, C. Keeler, and F. Ecken. The Oakwood team won by a margin of 10 seconds.

## President Still Hopeful For International Ball

President James J. Mc Caffery has still hopes of an International League baseball season, even if a start may not be made till May 15. He names a probable circuit of six clubs, as follows: Toronto, Buffalo, Baltimore, Syracuse, Rochester and Jersey City.

Toronto will work without Larry Lajoie, who was released on Saturday to the Brooklyn National League club in a deal that involves several players.

The president will attend the adjourned annual meeting of the International League next week in New York.

## BASEBALL GOSSIP

The Chicago Club of the National League has been ordered to pay \$1500 to William E. Grayson, former owner of the Louisville Club of the American Association, in a sealed verdict returned today in municipal court. Grayson sued for a breach of contract made with Charles W. Murphy, then president of the club, over a deal involving Fitcher Larry Cheney and Eddie Lonnex.

The agreement was that the club would pay Grayson \$500 for the services of these players. Grayson claims the deal involving Cheney was not fulfilled.

During 21 years as a player in the National League, Hans Wagner of the Pittsburgh team, has cracked out a total of 100 home runs.

At Wazahatche, Tex., Tigers players are picking the White Sox to repeat as winners in the American League, if Mr. Jennings' little surprise party does not crash under the ropes first, next October.

Of course the Detroit players are all insistent that this is a "Tiger" year, and that the club looks better now than it has for some years. But if they are beaten then, the "Tiger" year will be a disappointment, and the club will not take any of Rowland's stars.

## Toronto Teams Win And Lose at Basketball

Kingston, March 24.—In the Ontario Basketball Association semi-final here on Saturday night the Kingston Y. M. C. A. juvenile team defeated the Toronto Playgrounds by 23 to 18.

The return game is to be played in Toronto next Friday night and the winner of the game will meet either Hamilton or London in the final. In the other game of the semi-finals, Toronto Central defeated the Detroit team by 20 to 17, and win the round by 33 points.

## DUFFERIN DRIVING CLUB HOLIDAY MATINEE OFF

The Dufferin Driving Club announces that owing to the condition of the track at Dufferin Park there will be no races on Good Friday. Later in the season if the horses are available it is the intention of the Dufferin Club to hold several matinees.

## BUILDING CHALLENGER FOR SPEED BOAT RACES

Toronto builders are turning out a speed boat that is expected to rival anything that will be seen at the Labor Day races. This new craft will challenge for the two international cups to be competed for off Exhibition Park, the gold cup held in Toronto and the new challenge cup to be raced for the first time this fall.

"Nothing in it," is the way the officials of the Toronto Motor Boat Club who are running the big motor boat speed races here Labor Day characterize the report from Detroit that conflict of dates was likely.

Past Commodore Sylvester states that the races are granted to the Toronto Motor Boat Club, not the Canadian National Exhibition, the course is right off the Exhibition grounds, and the races are during fair time the Exhibition management are heartily co-operating with the club. No place in North America is there a finer course, and the special rates of transportation at fair time give their dates to include Labor Day, but there has been absolutely no friction whatever between the two clubs over dates, and our races are sure to take place on Labor Day.

In the Athenaeum League Saturday afternoon the Night Hawks broke their string of victories by being beaten two out of three by the strong Athenaeum team, the latter were extended to the limit to win the last by ten pins. The losers rolled a poor game in the first, the second was a fairly good score, and the final game was a humdinger. Seven out of the ten rolling went over the 200 mark, and with the score of 1020 to 1010, was a game well won, and also one hard to lose.
