Mrs. W. J. Wilson, Tessier, Sask., tells of her experience in the following words: "I wish to tell you of the good I have found in Dr. Fowler's Extract OF WILD STRAWBERRY. Last summer my little girl, aged two years, was taken ill with Summer Complaint, and as my mother always kept DR. Fowler's in the house, when I was a child, I seemed to follow her example, as I always have it also. I at once gave it to my baby as directed and she was at once relieved, and after a couple of doses were taken was completely cured."

DR. FOWLER'S EXTRACT OF WILD STRAWBERRY imparts a healthy tone to all mucous surfaces, corrects and heals all forms of canker and counteracts all tendency to pain and inflammation, while it gives tone to the debilitated system when weakened by exhaustive discharges and fluxes of whatever nature, thus making it the best and safest remedy for Diarrhoea, Dysentery, Colic, Cramps, Pain in the Stomach, Sea Sickness, Cholera Infantum, Cholera Morbus

and all Summer Complaints. Price 35 cents. Manufactured by The T. Milburn Co., Toronto, Ont.
