EXCLUSIVELY GENTLEMEN'S FINE FOOTWEAR

The Home of the greatest

Original "Featherweight" Patent Leather Shoes.

To the Public:

It is with greater satisfaction than I have had in the eighteen years of my experience as a Progressive Shoebuyer for the late firm of GUINANE BROS., that I submit for your inspection my lines of GENTLEMEN'S FINE FOOTWEAR representing, as they do, an artistic study in leather. My efforts have been concentrated upon providing a Shoe at a PRICE THAT MEANS GREAT VALUE, and at the same time possesses Style, Individuality, and Wearing Qualities, in fact a line of goods SUPERIOR to any ever offered in Canada.

Permit me to suggest that you will not make a mistake in deferring your purchase until you have examined my up-to-date Shoes, which are the manufacture of the three greatest specialists of Gentlemen's Fine Footwear in the World, for which I am the SOLE AGENT.

"KORRECT SHAPE" SHOE BROCKTON, MASS.

"LILY" SHOE, BROCKTON, MASS.

Gentlemen's Fine Evening Shoes and Slippers,

HAVERHILL, MASS.

The reputation of these Manufacturers is World-renowned, and their Branches are to be found in all parts of the Globe. Their combined annual out-put is over \$25,000,000, and is manufactured by a plant costing over \$3,000,000. These Shoes are all manufactured on the American Goodyear Welt process, and lasted on the Chase Tackless Machine. The highest quality of Calf is used in Black and Colors. Flint Stone Soles, double stitched throughout to prevent ripping. Clinches of the hooks are leather covered, preventing all irritation of the feet. The Wet Weather Shoes have the "Non-Soak" Sole, which is absolutely waterproof, also the Dolge Hygenic Felt Inner Sole and Rubber Outer Sole.

Manufactured in 20 different Shapes, 6 Widths, half sizes, from 4 to 12, 300 Different Styles.
