As an introduction to his attack upon Dr. Borden, Mr. Monk read an article from The it was stated the Militia Department had paid \$2 a pound for a ration that could be for from 12 to 15 cents. No tenders had been called for, and the ration was given mo practical test. It was packed in tins that were not air-tight, and that were labelled falsely, "On this diet, with tea and coffee, Canadian soldiers have lived, without discomfort, for 21 days."

This was Mr. Monk's ground for moving for an investigation, for no fraud should go unpunished, and the persons low enough

After commenting upon the fact that the he gave a history of the ration purchase. October 1898, a Montreal company company, and Dr. Borden promised to give ready for any inquiry. Mentreal came to Ottawa, representing this
