

BROUGHT IN FOREIGN LABOR

Fine Imposed for a Violation of the Canadian Alien Labor Law.

RENEGADE CANADIAN DEFINED

Police Magistrate Denison Makes Some Remarks in Action Against Carpet Weavers.

Two charges of violating the Alien Labor Law were presented in the Police Court on Monday against F. B. Hayes, secretary-treasurer of the Toronto Carpet Manufacturing Company, and a conviction was made in one. Magistrate Denison imposed the lowest possible fine, \$50. The maximum is \$1000. Pierre and Frederick Derocier were the principal witnesses for the local union, the complainants. They told the story of Mr. Hayes going to Lowell, Mass., in search of loom fixers and weavers, and related how the secretary-treasurer purchased tickets for them and offered to fix them up all right if they would work in Toronto. It was shown plainly that Mr. Hayes was anxious to conform with the law and bring over only French-Canadians, who had gone to the States. Frederick is an American born, and his brother told the court he was born in Canada 27 years ago. The conviction was made in the case of the former.

In giving his judgment Magistrate Denison said that when a man left his country to become naturalized, he became a renegade. "I won't call anyone who goes away and comes back to Canada an alien, if he is born in my country. I would rather think that it is a sign of a return of consciousness."

FAIR "HOSS" MUST GO.

Other Entertainment Will Be Provided at Fall Shows.

Steps are being taken by Mr. Creelman, superintendent of Agricultural Societies, and others interested in the success of township fairs throughout the province, to eliminate from the fairs in the future such attractions as horse racing, shell and other games, the Wild Man from Borneo and female snake charmers and others of that tribe. "Oriental" theatres, etc., and to substitute for them features that are calculated to be more instructive in character and less destructive to the pockets and morals of the people.

With this end in view, arrangements have been made for demonstrations in the art of packing apples, also in the dressing of chickens for the home and foreign markets, as well as in cooking. For the latter demonstrations the services have been secured of Miss Smith of Hamilton and Miss Hunter of this city, who will give their practical lessons at Whitby and Port Arthur.

The rings in the district fairs grounds as they now exist will be converted into grass tracks for speeding purposes, and no horse racing will be allowed during the time of exhibition. Of course, it will be permissible at other times if the fair directors are not averse. Mr. Creelman states that the chief reason for doing away with horse racing is because the horses taking part do not belong to the farmers, but to parties who keep them going from place to place for the sole purpose of making money.

The Washah Railroad.
Will make sweeping reductions in the one way second-class rates to California, Oregon, Washington and other Pacific coast ports.
Tickets on sale every day during September and October, via all direct routes.
Special cheap round trip tickets on sale August and September to Colorado points, good to return any time before Oct. 31st, 1902.
The Washah is the best and quickest route to the above points, and is equipped with passenger trains in America. Full particulars from any railroad agent, or J. A. Richardson, District Passenger Agent, northeast corner King and Yonge-streets, Toronto, 246

Getting Down to Work.
Hon. G. W. Ross had a busy time of it on Monday, when he was called upon by several of his friends and supporters. It is understood that the premier is paying special attention to the situation in North Renfrew, and it would not be surprising if he paid a visit to that constituency in the very near future, with a view of getting some recalcitrants in line.

There will likely be a meeting of the cabinet today, as most of the ministers are expected to be in the city.

Wants a Goat Colony.
Father P. E. Grendau, O.M.I., of Rat Portage, has written Mr. Creelman of the Department of Agriculture, enquiring where he can get some goats, stating that there is plenty of rocky country in New Ontario for the raising of this class of live stock.

Improved Service to New York.
If it is possible to improve the service offered by the New York Central and C.P.R. for their patrons to New York, then the addition of the dining car on the evening train at 5:20 ought to be appreciated. First trip Aug. 22nd.

Jim Dumps would eat his noonday meal
And afterward he'd ways feel
Unhappy, touchy, cross, depressed,
He'd swear off eating—'twas no jest.
But "Force" is now the lunch for him,

CHINA'S NEW PERIL.

Reports Indicate a Great Scarcity of Foodstuffs.

In a letter received on Monday morning from Rev. Dr. Sutherland, General Secretary of the Methodist Mission, from Rev. O. L. Kilborn, M.D., the head of the Methodist Mission in Chentu, Province of Szechuan, West China, it is stated that the crops in China are poor and prices for foodstuffs very high. The crops, except on the level grounds, are a failure, and the price of rice has risen rapidly during the two weeks prior to the writing of the letter. Hundreds of thousands of famine sufferers are roving the country in the hope of securing food. Referring to the Boxer troubles, the writer says: "Another battle has been fought between the Viceroy's troops and the Boxers, in which the latter were defeated as before, for which we are all thankful to God. Some of the leaders have been caught and beheaded, and if the Viceroy keeps on vigorously as he seems to be doing now, all will be well."

Estimating the Damage.
A. W. Campbell, Deputy Commissioner of Public Works, was in his office on Monday, having returned from Winchester Township, where he had been examining the havoc, said by the recent storm. He will make an estimate of the loss, and of the indemnity that each should receive out of the relief fund given by the province.

The Cause of Strikes.
R. Gloecking, secretary of the Bureau of Labor, is sending out a circular regarding any strikes or lock-outs that have occurred during the past year, and requesting any information that might be calculated to give an intelligent understanding of the causes of these troubles or suggest possible preventives.

NO SCARCITY OF BINDER TWINE

Local Dealers Say the Supply Will Meet the Demand.

An important factor in the harvesting operations in Canada's golden West is the supply of binder twine. From Winnipeg a despatch comes to the effect that the immense wheat yield will require about four pounds of this commodity to the acre, and that in addition to the scarcity of harvest hands, there is a probability of a shortage of binder twine. Discussing this phase of the situation with The World on Monday, W. R. Hobbs, manager of the Plymouth Binder Twine Agency in Toronto, said that while there was a great demand for the requirements of the farmers, the supply was not in the West has not been reported that there are any fears of a scarcity. There are six or seven factories in Ontario, and the farmers also get a great deal from the United States, so that, he thought, the supply would equal the demand. Mr. Hobbs asserted that the demand for binder twine was about 8000 tons less than last year. A greater supply has been required from the manufacturers because the dealers did not have an over-supply on hand, whereas last year they were overstocked, and did not call upon the manufacturers until the season was well on. The manufacturers this year are well prepared for any emergency.

Settled in Temiskaming.
According to Mr. Southworth, commissioner of colonization, fully 3500 people are now settled in the Temiskaming district. Before the year is out he thinks there will be fully 1500 more, as many who had gone in a year or two ago are now bringing in their families. The settlers are all English-speaking people.

A Narrow Shave.
Monteagle, Tenn., Aug. 25.—Miss Tucker and Sidney Cowan fell over a cliff 40 feet and stopped just short of a 300-foot drop to instant death. They were rescued.

CITY NEWS.

Borne to the Tomb.

In the Necropolis Cemetery the remains of the late Capt. Archie Taylor were laid to rest Monday afternoon. The funeral took place from the residence of his son-in-law, D. A. Giles, 17 York-street, at four o'clock. Rev. J. D. King, pastor of the First Presbyterian Church, officiated at the house and grave. The chief mourners were Archibald Taylor, son of deceased, and Messrs. D. A. Giles and Frank Taylor, sons-in-law.

The funeral of the late J. D. King was strictly private. At the family residence, 425 Jarvis-street, a short service was conducted by Rev. J. T. Sutherland, of the First Unitarian Church, who also officiated at the grave in Mount Pleasant Cemetery. The J. D. King Co. factory was closed all afternoon, and the employees walked to the residence.

Many friends and relatives attended the funeral of the late Mrs. W. H. 154 des, which took place from the family residence, 13 North Sherbourne-street, to St. Simon's Church and thence to St. James' Cemetery. Rev. Ernest Wood conducted the religious services. The chief mourners were the widow, Mr. J. W. Eddis; two sons, John and William; and Mr. E. W. Eddis, brother-in-law and daughter; Wilton C. Eddis, nephew; Captain Hooper, Mr. L. Hooper, a son-in-law and Mr. Lauder.
