1ST W. O. R. JUNIOR TEAM

The hockey team of the 1st Western Ontario Regiment is open to play games with any junior team in Western Ontario or any local club playing in any of the city leagues. These boys, who were known as the Cove Rangers last year, are now members of the regiment, and it is the desire of Lieut. Col. Reid and the regiment generally to give them all possible encouragement along this line.

The lack of rink accommodation in the city is keenly felt, and it is therefore impossible to arrange home games with outside teams. Every effort will be made, however, to bring at least one good junior team here, and thus give London fans who are lovers of junior hockey a chance to see these boys in action.

Outside games with any of the following teams are desired, and will assure all of these that the W. O. R. team is a first-line junior aggregation, and will furnish any club a splendid exhibition of hockey: Alvinston, Strathroy, Woodstock College, Outton, Elenheim, Ingersoll, Exeter, Brantford, St. Thomas, Stratford Avons, Tillsonburg.

Arrangements for games can be made through Major Eric Nelles or Lieut. Sid Rankin, 1st Western Ontario Regiment.

Cochran added that if the bout was abandoned for any reason he was prepared to give a purse of £100,000 for the men to box in England in June.

WOODSTOCK JUNIORS

9--1 Score of Exhibition Game

-Home Fans Pleased.

mostly intermediates, from start to finish.

The game was fairly fast in spots and Woodstock had it on the visitors in speed and shooting. Morello proved the star marksman of the night, with four counters to his credit. Bright was also conspicuous and gave Hynds, the visiting goaler, plenty to do. Dunlop, in goal for the Red and White, played a stellar game, the one lone tally getting by him glancing off his shoe. Joe Sadine and Lynch were other locals who showed up well. For the visitors Hynds, McKay and Mays were the best. Woodstock scored two in the first, added three more in the second, and out-scored the visitors four to one in the final frame.

Following is the line-up:
Woodstock—Goal, Dunlop; defence, Lynch and Harrington; centre, Morello; left wing, Bright; right, Sadine; subs, Pullen, Collen, Rowe, Gepp.
London—Goal, Hynds; defence, McIntyre and Mays; centre, MacKay; left wing, Pearce; right, MacRae; subs, E. O'Rourke, W. O'Rourke, Seeli.

Give Subs Thorough Try At Ten O'Clock Practice. The first practice of the inter-

mediates will be held tonight at o'clock if the weather remains cold. It's not often that a team gets away with games without a practice, but that is what the Alert team has done this year.

Because its the first workout, and also in view of the strenuous game in prospect for the team on Friday night at Ingersoll, every man that can tote a hockey stick will be warmly welcomed this evening by Coaches Greer and Graham.

Quite a few fans have intimated that they will be down in Ingersoll tomorrow night, so the locals should have lots of vocal support. Some new subs will be tried out and everything possible done to give them a real try-out.

The team will probably make the trip in cars tomorrow night. the London Curlers' rink at 10

NO CHANCE HERE. "Not only would we not abrogate our rules, but my belief is that a permit would not be granted by the commission for a fight between Carpentier and Dempsey, even if it were limited to ten rounds," declared Mr. J. P. Fitzgerald, secretary of the commission. "We are not running championship bouts around here. We are doing a little to help our own boys and a little to help our own boys and for our own amusement. There's not a chance on earth of a permit for our own amusement. There's not a chance on earth of a permit being granted for the Dempsey-

Carpentier battle. NEW YORK, Jan. 19 .- "The NEW YORK, Jan. 19.—"The Dempsey-Carpentier match has not been called off, and will be held either in England or Canada on July 2," Promoter Tex Rickard is quoted as saying today in an interview with the Evening Sun. "Canada has made several very attractive offers, and we expect to stage the mill there, probably in Montreal," Rickard added, according to the Sun.

ARENA GARDENS, Toronto, Jan. 10. -St. Patrick's, playing by far their best game of the season, soundly trounced the fast-skating Canadiens here tonight in a N. H. L. fixture, 7 to 2. There was no doubt as to which was the better team. Time after time the Toronto forwards outguessed the Montreal de-fence, and paraded in on top of Vezina with a regularity that meant goals Wilson, Dye and Noble combined their play all through the game, and to this the victory is due. The Toronto forwards had system to their checking and it smothered the fast-breaking Canadien line. Another factor in the victory was the tightening up of the local defence line, which was airtight in its work. Forbes was in sensational form and flipped out shots many times with two men in on top of him. The Saints early solved the puzzle of the Canadien defence, and bluff passes and then a dash through worked many times. Noble, Denennay and Cameron were the outstanding local players. After the score ran up, Lalonde retired. Mummery and Cleghorn stood out for the losers. The smallest attendance of the season at a professional fixture turned out. On tonight's form the Saints would take the measure of Ottawa. play all through the game, and to this

PAN DRIEDS LOOK FOR WIN TONIGHT OVER ST. THOMAS

TILLSONBURG, Jan. 19.—Thursday night's intermediate O. H. A. fixture here with St. Thomas is creating no end of speculation, and a good deal depends on the result of the game in deciding group honors. The Pan-Drieds played a wonderful game against Ingersoil with two regular men on the sick list, but are confident they can get by St. Thomas with a win and be in good shape for Monday night's battle with London. The advance seat sale is very large.

TANKARD PLAY AT INGERSOLL FRIDAY

Word was received here yesterday that the preliminary Tankard play for this group would start at the Ingersoll Rink Friday morning at 9:30 o'clock. London clubs are sending down some strong rinks, which should get the city into the Tankard play at Toronto.

SARNIA TO ENTER JUNIOR LACROSSE NEXT YEAR

SARNIA, Jan. 19 .- Sarnia will likely have a junior team entered on the O. A. L. A. series next summer. Last year the matter was proposed, but it was so late in the season, when volunteers turned out that nothing volunteers turned out that nothing could be done. This year practices will commence earlier, and a team picked from the city league when it gets going. There is, it is expected, going to be a plentitude of junior material to turn out a team that will make them all step when the boys have assimilated some coaching from the older and experienced players, backed up by actual games such as the city league will be bound to result in. Several men who were interested and responsible for lacrosse getting started in this city are looking with considerable favor upon the matter.
