## Boxing For English Championships

### New Rugby Group

#### Note and Comment

Some one in New York made a bad attempt to kill the racing game at Baltimore. The season ended at both places yesterday, at Aqueduct with a groan, and at Pimlico with a cheer. Fitzhugh, the champion, deserted the one time big course for the little one down in Maryland, incidentally landing the two-mile stake in world's record time.

That racing has been uphill sport in New York state the past season there is little doubt, the only beam being that it was racing and they'll start up again next May at Belmont with the restricted form of setting by the nod.

Horse lovers were fearful lest the crusade might shut them out of their beloved pastime throughout the winter months. But it looks like more than ever, even with New Orleans off the map, Florida and Mexico are in line to start extended snow meetings this month and California will be there again with memory wages. From now till Nov. 25 the speculators will rest content with one track and they'll have time to reflect somewhat.

Meanwhile your old friend Pop will digress on his favorite Topics of the Turf in The Sunday World, starting with the next issue and he'll likely have something to say about Dufferin Park.

This Langford man has a good press agent, who says Sam has them all frightened before they get into the ring, and from the determined look on his face you would never imagine that he is chuck full of good-nature. He is not a southern darkey, and is always quick to announce that he was born in Nova Scotia, the land that produced George Dixon. Mark Murray once detected Sam counting a roll of bills and remained silent. "Well, Sam, I suppose that means a wagonload of watermelons." The great fighter grinned, then scowled, and actually remarked, "No, sir, I ain't no watermelon nigger, I'm from Nova Scotia."

"I admire Schlessinger, Vienna, Austria," is the way the leading horse-buyer of Europe registered at a Pittsburgh hotel last week. He was the first man to import the American champion to this country, and the first great horse he took to Europe was said to be a "winner" who was found in a great family in Austria. He is the leading sire in that foreign land. Schlessinger said that he only bought trotting horses, and preferred them with fast records. He insisted they must be good-gaited, and race without boots.

"We don't race like you Americans. Horses are handicapped by performance, and the amount of money they have won. All races and dash events are one and one-half and two miles, and the start. Immense crowds attend these meetings, which continue for six days, rain or shine, and Sunday is always the biggest day."

Among the horses that he bought were: Judge Lee (2:04), Surplus (2:10), The Aloha (2:04), and Ward (2:04), all trotting stallions, also Joe O'Connell (2:12), Gladys (2:04), Alamo (2:04), Bell Bird (2:04), Exelon (2:04), and Lillian Chase (2:12). Most anyone can buy a horse, but few men can afford to tie up a small fortune in a single purchase. The average price of \$500 for Judge Lee, \$300 for Elvire, and \$300 for Joe O'Connell. The latter will be shipped to Russia by the next steamer. He gave Ed. Dunn \$1000 for a pair of matched horses, and bought Exelon and Lillian Chase at the Lexington sale, paying \$1200 for the pair.

The release of Fred Lake and the substitution of Pat Donovan as manager of the Boston Red Sox is the reigning sensation in big league baseball. It is said that this change is not wholly unexpected, and that Donovan has been inside track for some time—in fact, ever since he became scout for the Red Sox. President John F. G. Taylor says that Donovan secured much of the material with which Lake operated last season, and that he is entitled to the bulk of the credit for the excellent showing of the Boston team. Donovan was a failure as a manager of the Brooklyn team, but Taylor says the conditions were far different. With Brooklyn it was a case of no financial backing. Taylor says, while with Boston Donovan will have plenty of money to spend for new talent. Donovan is a practical baseball man in every way, but in addition to his failure in Brooklyn he was not a glittering success when in charge of the St. Louis, Washington and Pittsburgh teams. In each instance he complained that he was not allowed to have his own way. President Taylor declares that Donovan will not be interfered with, however, and that he will have a pennant winner next season. Lake has an army of friends in Boston, and leaves the Red Sox with a feeling of sympathy on all sides. It is reported that he will be the new manager of the Philadelphia or Boston Nationals. If he takes charge of the latter team there will be plenty of fun in the Hub in 1910.

**Toronto Rowing Club.**  
A meeting of the hockey section of the T.R.C. will be held at Headquarters, 78 East King-street, to-morrow, Wednesday, evening. All members interested in hockey are requested to be present. Officials for the ensuing season will be elected and program arranged.

#### The Wasp Wins From Record Field Of Jumpers at N.Y.

**British Army Officers Unfortunate on First Day of the Horse Show.**

NEW YORK, Nov. 8.—With the call of boots and saddles sounding by the bugler at Madison-square Gardens this morning opened the twenty-fifth annual exhibition of the National Horse Show.

While still a social exhibition of the first class, the show this year, it is predicted, will be more of a popular affair than usual. Under the new influences at work in the association in the past year, changes have been made which have added to the show's attractions for the horse-lover. The number of entries—100 or more—has increased, and the measure of the exhibition's appeal to the horse-owner's society part in the show will make it, as usual, a notable event in the world of fashion.

The garden is decorated in unusually brilliant fashion for the show. Judging began at 10 o'clock and will continue morning, afternoon and evening during the week, until the prizes in the 154 classes have been awarded.

Mr. Vanderbilt, president of the association, received a cablegram from Lord Londsdale, chairman of the International Horse Show, during the afternoon, which read: "With happiest recollections and great pleasure experienced in the presence of American horsemen at Olympia this year, not only myself but all those connected with the International Horse Show, send our sincere congratulations and wish you every possible success."

Among the blue ribbon winners in the judging of the early classes were Crow and Murray of Toronto for hackney dillies, with Oak Park Belle.

British army officers competing in the first class, were unfortunately for the most part in the behavior of their mounts. Lieut. Montefiore on Taffy made the best showing for the part. First honors in the class, which was the largest ever seen in a single event, were given to a gelding, The Wasp, with Jack Hamilton on.

**Packer McFarland Gets Decision.**  
KANSAS CITY, Nov. 8.—Packer McFarland, winner of the Chicago stock yards district, was given the decision over Cyclone for hackney dillies, night here to-night. The battle was a case of a scientific boxer who was able to hit and get away again and a man whose main asset is a cunning and who could not get near enough to his shifty opponent to land.

But in one round—the second—was Thompson able to send home telling blows enough to make it appear his fight would be a long one. He came to him. But with Packey hanging on and making the most of his wonderful footwork the Cyclone could not corner him. After that round there was little doubt as to the outcome. Thompson took a brace in the last three rounds and did some good work. He was the victor and went up at the end of the tenth round.

**O. R. F. U. News.**  
The first of the O.R.F.U. junior semi-finals has been arranged. St. Michael's, who won the O.R.F.U. Cup last year, will play a sudden death game with Lindsay, the winners of the eastern group. The game will be played at the O.R.F.U. grounds, and will be refereed by the referee.

Petrol has protested Saturday's game between the O.R.F.U. and the O.R.F.U. in a tie and Petrol is alleged to have refused to play it off. The referee awarded it to London.

The junior game next Saturday in group No. 2 between Centre and O.R.F.U. will be a tie. It will be played at the O.R.F.U. grounds, and will be refereed by the referee.

#### Balk Line Experts Including Sutton After 18.2 Title

**NEW YORK, Nov. 8.**—Billiardists from New York, Chicago, Boston, Philadelphia and Paris will meet in the 18.2 balk line billiard tournament in the Madison Square Garden Concert Hall in a series of games beginning Nov. 22, to decide the world's championship.

George F. Slosson will represent Boston, and H. P. Cline will represent Philadelphia. Toronto will have a representative, George Sutton, and Chicago one, Calvin Demarest. Firmin Cagnall will uphold the billiard prestige of Paris.

Each game of the tournament will be for 500 points, subject to the playing rules that are in present the 18.2 balk-line game. With half a dozen of the star billiard players in the world entering the contest, it is expected that the tournament will be one of the most successful ever held in this country. Interest in the game seems to have increased.

The billiardists will strive for prize money to the amount of \$2000. In addition to the prize money the entrance fees and the net gate receipts will be divided among the players. The winner of the greatest number of games will receive 40 per cent. of the money. Thirty per cent. will go to the second man, 20 per cent. to the third, and 10 per cent. to the fourth.

The team is expected to clean up the intermediate series.

#### WELCH BEAT SUMMERS.

LONDON, Nov. 8.—Fred D. Welch slightly the favorite, won from Johnny Summers in a 20-round contest before the National Sporting Club, for the lightweight champion-ship of England.

Welch forced the fight from the start and was never in danger. Love Lundstad presented the winner with a gold and diamond belt.

#### RUGBY NEWS AND GOSSIP

Argos and Tigers Agree on Officials for Saturday.  
Just how good the Hamilton Tigers are will be seen here Saturday, when they tackle the Argonauts at Rosedale in the last Big Four scheduled game this season. Hamilton are said to be weaker than last year, but that remains to be seen, and Saturday's game should be a pretty fair test, as it is better than any other in what will be a wide to-day.

President Billy Seymour of the Inter-provincial—The result was just as expected. Tigers should win every game from now on.

Dr. Thompson, president Hamilton Club—It was a case of victory all the time. Even after the bad start, but never looked for a 20-point margin. I thought that the officials were a little lax in protecting the half-backs, and that they might have imposed heavier penalties when the players began to rough it.

Harry Purford, Ottawa—It was a case of victory all the time. Even after the bad start, but never looked for a 20-point margin. I thought that the officials were a little lax in protecting the half-backs, and that they might have imposed heavier penalties when the players began to rough it.

Tom Clancy, coach of Ottawa team—Young players blew up for the first time this year, especially Johnstone and Gerrard. The final score is no indication of the merits, and we will win in the final game.

Ben Simpson, captain Tigers—After our back division got going right, I was confident there was nothing to it. We have the better team by a large margin, and we will win in the final game.

Jack Williams, Ottawa captain—It was a case of victory all the time. Even after the bad start, but never looked for a 20-point margin. I thought that the officials were a little lax in protecting the half-backs, and that they might have imposed heavier penalties when the players began to rough it.

#### Tiger-Ottawa Game Worst Ever Handled By Referee Hendry

HAMILTON, Nov. 8.—After the rout on Saturday, the question was asked: "Well, what did you think of the game?"

The following are a few of the answers and opinions given: Referee Hendry—It was the worst game I have handled in a long time. The Ottawa players spent too much time handing it out to the Tiger players, and forgot to play Rugby. Then they went up in the air. The Tigers were much the better team, however.

Umpire Harry Griffiths—It was a good game up till the last quarter. The Tigers will win in the play-off, but will have a hard task beating Varsity if they play as badly as they did for a wide to-day.

President Billy Seymour of the Inter-provincial—The result was just as expected. Tigers should win every game from now on.
