These were joined by a dozen more, and at the conclusion of a good two house work, the ice was found to be in the pink of condition, not a hole being visio.e anywhere. Coverpoint is still uncertain, bu before the season starts Murphy of the Dominion Bank may be found holding down this position. On the forward line they have secured that great little goal-getter, Bud McLean, while Ross of Winnipeg and McGregor of Regins will also throw in their lot with the T. C. C.
