### Match Old Rosebud, Boots and Roamer

Crown, Allen Cain.

Leuisville, Ky., May 5.—If he is successful in his plans, General Manager Matt J. Winn of the new Louisville Jockey Club. Will put a race on the program Derby Day, May 12, which, it is conceded, will be an attraction second only to the Kentucky Derby itself.

Winn is endeavoring to arrange a match race between Old Rosebud, the famous come back, Roamer, the champion all-around racer in 1915, and Boots, which ranks at the top of the stars that recently have "sported silks" on this side of the Atlantic.

It is planned to make it a weightfor-age affair at a mile and one-sixteenth and a fast track probably will result in a new record.

THESE TRACKS LET DOWN EASY. Louisville Ky.. May 5.—Gov. A. O. Stanley of Kentucky has signed the Schneider race track bill and it is now operative. Under its terms the management will be required to pay a daily state license tax of \$500 for race meetings at Churchill Downs and Douglas Park, Louisville, and at Latonia at Covington, and \$200 a day at the Lexington track.

### Yachts on the Bay

There was remarkable activity among the yacht clubs yesterday morning, the bay just swarming with small craft, mostly of the with small craft, mostly of the dinghy type.

The Toronto Canoe Club had a tral work with several dinghies stretching their sails.

Doug. Addison's dinghy was noticed among a fleet of Alexander boats.

The 30 footers, owned by Messrs. Charlie Roberts and Joe Smith, came up to the National wharf to get ready for the races. The National dinghies also had a workout.
