

power of God's truth to convince of sin, and that the Son of man hath still power upon earth to make the leprous clean. There have been admitted to our Societies forty-six persons; we have, however, suffered largely from removals, so that our increase is small. There is ample material here to make this at once a self-supporting circuit, but the difficulty is to get all to see their duty to their fellows, and their obligation to God. What we need is not simply a larger number of members, but that those we have, be more alive to duty, to privilege, and to God: not more talent, but that we have used for the advancement of righteousness, peace and joy, in the Holy Ghost; not more wealth, but that the wealth possessed shall be consecrated to Him, whose is the earth and the fullness thereof.

UXBRIDGE.—Many of our meetings, especially in the village, have been seasons of refreshing, coming from the presence of the Lord. After a loss of thirty-one, by deaths, removals, and unfaithfulness, we report an increase of twelve members. Owing to the severe monetary depression, our finances are somewhat behind; but in view of all, we see reason to thank God and take courage.

TORONTO.—This year has been one of much anxiety and care, from two causes: The great financial depression, and the necessary removal of some of our friends. On the other hand, we have much cause for gratitude and hope. We have a small increase to our membership, notwithstanding eighteen removals, and we have a small surplus at the Quarter Board, notwithstanding a year of fearful financial depression, a result attributable to the successful working of the weekly offering system. Our membership is improved and improving, and the church is becoming more consolidated and reliable; but our Trust Estate requires to be yet further relieved, and our regular congregation to be augmented. The Sabbath School has been, and is energetically worked under our successful Superintendent, and a band of attached Teachers, while other bands of christian workers are trying to assist the pastor in Missionizing and Evangelizing around us, in this city.

PETERBORO.—This has been a year of incessant toil; we have had the hearty co-operation of the officials and leading members of the church. In the Sabbath School, Prayer
