Sir:-

1 *Subsedy*
2 *Lat. Clerk* *see under*
I beg to inform you that Mr. Wm Gidley, Manager, Cowichan Lumber Co. advised me that Mr. Henry McGarrigle, their contractor for driving their logs down the Cowichan river had finished for this season. And asked for bill of damages done to the Indian's lands and improvements. He wanted it at once. I have asked Mr. ^{A.A.} Green P. L. S. to survey the river and make out bill of damages.

Trusting that you will approve of my action as it is important to have the work done at once.

Your obedient servant

H. R. Robertson
