

PREFACE.

The publishers of this work have used every effort this year to place before the public as reliable information as could possibly be obtained in the short period of time available, and it is hardly possible to take more pains to make the work more reliable. (The paper that was ordered for this Directory was burned in the Ottawa fire, on that account we had to use thinner paper which makes the book look smaller.) There are quite a number of persons who evade giving their names, for fear of being taxed, and in place give the agents fictitious names. Some of these fictitious names will appear in every Directory published; the publishers not being able to detect them, however careful they may try to do so.

To the supporters of this work the publishers return their sincere thanks and would ask them not to lend their Directories outside their place. A number of business men boast that they do not have to buy, as they can borrow and save that amount. It is not fair to us nor to yourself to lend your Directory.
