PUBLIC HEALTH MEETING HELD IN RAILWAY CITY

Moncton, April 25.—Hon. W. F. Robertson, minister of public health, Dr. Gordon Bates, of Toronto, and Dr. Alexander Fleisher, of New York, addressed a meeting held here this evening in connection with the health week campaign now being carried on in this province.

Mayor A. C. Chapman presided. Much interest was shown in the campaign not only at tonight's meeting but on Sunday afternoon as well when addresses were delivered by Col. Amyot, of Ottawa, and N. L. Burnett, of Toronto.

A committee was chosen at tonight's meeting to nominate officers for the proposed New Brunswick branch of the Canadian National Council for Combating Venereal Diseases.

NOTICE TO THE PUBLIC!

After the first day of May the electric business I have been conducting for the past three years under the name of the Jones Electric Co., will be known as the Baird Electric Co. Thanking the people of St. John for the generous patronage they have given me in the past three years and for future business,

I remain respectfully yours,

MADE IN CANADA AND HEALTH WEEK AT THE M. R. A. LTD. STORES.

The M. R. A., Ltd., stores are making special exhibits this week of Made-in-Canada goods. Their entire window spaces are taken up with these displays and will prove most interesting to passers-by.

Especially worthy of attention is the exhibit of oilcloths and linoleums and specimens of the different materials used in their making. This display is in the lower Germain street window.

HEALTH WEEK ALSO SUITABLY OBSERVED.

A very profitable illustrated lecture on "The Proper Care of Infants" was given on Monday and Tuesday mornings, by a member of the Victorian Order of Nurses, under the auspices of the provincial board of health. This talk will be repeated on Wednesday and Friday afternoon from three to four, and on Thursday morning from eleven to twelve. Much valuable information can be gained from this lecture—knowledge that in the future may mean the saving of a child's life. Ladies are all invited to attend. Given in the costume department, second floor.

WOULD JOIN IN SEAMEN'S STRIKE

(Canadian Press Despatch)
New York, April 25.—Andrew Furuseth, president of the International Seamen's Union, announces late today that 45,000 seamen embraced in his organization would join the strike of 28,000 marine engineers called earlier in the day for May 1 after negotiations had been broken off with the American Steamship Owners' Association.

A few minutes later Mr. Furuseth announced that the seamen also would join the engineers and firemen in a strike if wages were cut May 1. The three unions of engineers, firemen and seamen claim a membership of approximately 175,000 men.

TIME CHANGES ON CANADIAN NATIONAL LINES

Effective May 1 New Time Table Will Be Issued—Sunday Train to Moncton—Double Service to Prince Edward Island.

Changes of time schedules effective May 1 on the Canadian National Lines affect only a few of the trains in and out of St. John station.

The double daily service to Prince Edward Island will start on Monday, May 2, and connections for the first trip of the steamer will be by No. 18 train leaving at 7:10 a. m. and connecting at Sackville with train for Tormentine leaving at 1:15 p. m. No. 14 train, which will leave at 1:30 p. m. instead of 1:40 p. m. will connect at Moncton with No. 2 Ocean Limited, and connections made at Sackville with train for Tormentine leaving at 6:25 p. m.

No. 18 train from Halifax and Moncton will arrive at 5:30 p. m. instead of 5:38 p. m. No. 19 train, the Maritime express, connection from Moncton, will arrive at 1:45 p. m. instead of at 12:15 noon.

The Sunday trains between St. John and Moncton will be reduced. No. 59 will leave St. John (Sunday) only at 9:30 a. m., arriving at Moncton at 10 p. m., making all local stops. No. 49 will leave Moncton at 4:45 p. m. and arrive in St. John at 8 p. m. These trains afford connection at Moncton on Sundays with the Ocean Limited both for Moncton and for Halifax.

Other trains are unchanged. The suburban trains will run one hour earlier on and after May 21 on account of the daylight saving time. 6-3

WATERMELONS 2 WEEKS EARLY

Selling in New York at \$1.25 to \$2.50 Each Wholesale—Wide Margin in Prices of Fruit and Vegetables.

The first shipment of Florida watermelons for this season arrived in New York City last week and met with ready sale at from \$1.25 to \$2.50 apiece wholesale. The consignment was about two weeks earlier than last year. Strawberries are now arriving in liberal quantities from the nearby points and the hazy section of North Carolina, and also from other points along the coast in that state and Virginia. The strawberries are generally selling for from fifteen to twenty-five cents a box wholesale.

The wholesale markets are reported flooded with fruits and vegetables, many of the latter from nearby points, and while the wholesale prices are very low, the consumer continues to pay high prices, according to Mrs. Louis Reed Weimiller, deputy commissioner of public markets. She said she did not know where the blame lies for this condition, but did know that large quantities of food are not finding any market at all. The comparison of wholesale prices issued by the state division of foods and markets for this year and last year shows that virtually all items are considerably lower in price than twelve months ago.

DUEL BETWEEN EAGLES.

London, April 26.—Two eagles fought a duel to the death at Inverary. Within a few yards of a road a boy saw the fight. One of the birds fell dead. The other with beak fast in the victor's throat, stood triumphantly on the victim's breast. The victor was so badly injured that it could hardly arise from the ground, but managed to escape.
