#### PROVINCIAL PARLIAMENT.

Opening of the Legislature.

The Executive opened the Session to-day with the following

SPEECH:  
Hon. Gentlemen of the Legislative Council:  
Gentlemen of the House of Assembly:

I have great pleasure in again meeting you in Legislative Session.

I thought I would upon the prosperous condition of the Province as exhibited in the growth of our manufacturing interests, the extension of our commerce, the expansion of our mercantile and the increased demand for our agricultural products and the remittance of money received therefrom.

The Provincial Exhibition of the past year afforded the most conclusive evidence of the fertility of our soil, both as regards cereals and root crops, the quality of which has never been surpassed at any previous Exhibition, notwithstanding the unusual drought which prevailed over the greater portion of the Province.

The Provincial Exhibition of the past year has been a success in every respect. It has shown the growth of our manufacturing interests, the extension of our commerce, the expansion of our mercantile and the increased demand for our agricultural products and the remittance of money received therefrom.
