engaged during the half year just expired, and was another exhibition of the masterly proficiency of their deservedly esteemed pre ceptor, R. E. Smith, A. B.

The duties of this Institution will be reamed on Monday, the 3d of January next

I We are happy to notice, as one of the fruits of the Railway's having been opened to "just received by Railrond," and that some of our enterprising merchants are advertising their goods in the Woodstock papers. Provisions, Groceries and Dry Goods can be purchased in St. Andrews at as low a figure as elsewhere in the Province, and the freight to Woodstock by Railway is considerably less than by any other route, in addition to its occupying much shorter time in conveyance. The codfish, pollock, and haddock caught in these waters one day, are served up next day in Woodstock.

FIRE .- The large barn and sheds owned
