There was an angel's band

That was not quite complete;
They took my darling little son

To fill the vacant .eat.
His earth's short pilgrimage is done,
He rests on Jordan's shore;
We think of him not lost,
But only gone before.

And when my darling Hiram died
And passed from out this sinful world,
The gates of Heaven flew open wide

To let the little stranger in.
It was so hard with him to part,
But Cod's will must be done: It was so hard with him to part,
But God's will must be done;
He sent the angels and took
My darling first born son.
