DYKEMAN'S	LUMBERMEN PROTEST. Lumbermen's Association Strongly Oppose the Government's Raise of Mileage and Stumpage Rates.	System-Capt. Thompson, of the St. Croix Investigates.	THE LAW AND ITS COURSE. Magistrate Ritchie Protests Against Prevalent Concealment of Crime —Boy Charged With Stealing	Morrell & Sutherland TELEPHONE 1552. STOCK-TAKING					
An Extraordinary Sale Of Ladies' and Children's	The Lumbermen's Association of New Brunswick met in the city yes- terday afternoon and this morning to consider the matter of increase in mile- ages and in stumpage rates, which the government is contemplating. The gentlemen in attendance were: Henry	cal utility of the recently invented sub-marine fog signal with a view of equipping their steamers with the ap- paratus. Recently Capt. Thompson	used up in the police court this morn- ing, not much business was done. There was a lot of talk and many ideas were expressed but the results were small. Walter A. Cronk, aged sixteen, of 150	Remnant Sale About two hundred short lengths of Dress Mate					
WINTER UNDERWEAR I Ladies' Winter Undervests, long sleeves, the 50c. quality for 25c. These are good heavy quality and are finely finished, fronts being lace trimmed, three sizes.	Hilyard, who presided, and R. A. Law- lor, of Chatham, the secretary; F. E. Sayre, representing Sunbury county, and S. H. White, Kings county; H. Hilyard, Victoria county; J. E. Moore, Charlotte county; F. W. Sumner, West- morland county; J. D. Irving. Kent county; P. J. Brown, Gloucester coun- ty; Kilgour Shives, Restigouche coun- ty, and C. P. Baker. The mileage rate which obtains now is \$4.00. The government is seeking to raise this to \$8.00. The stumpage rates at present are \$1.00 on spruce, \$1.00 on pine, 50 cents on fir and 80 cents on	on the Herman Winter for that pur- pose. The company owning the patent installed submerged bells on Vineyard Sound, Pollock Rip, Boston Light and other dangerous points which are struck mechanically, each vessel hav- ing a distinct number. On the steamer is a receiver consisting of cases bolted to the inside of the vessel having a dis- tinct number. On the steamer is a re- to the inside of the vessel below the water line. In his report to Calvin Austin of the Eastern Steamship Com- pany. Capt. Thompson says:	charge of stealing three pairs of boots from the store of Francis & Vaughan, where he is employed. Mr. Vaughan knew nothing of the theft until after the stolen goods were recovered and had no disposition to press the charge against Cronk. It appears that the boy took one of the pairs of boots to sell to a dealed but the latter would not buy. them without an order from the boy's father. This the prisoner pretended to pro- cure, and presented one signed W. A. Harrison, giving his own name as	ials and Coat Cloths have been marked up at very lo prices, and laid out for quick selling. In many cases to prices are less than half their regular value, but we wan to clear them quickly. Dress Length, Skirt " Waist " Coat "					
Ladies' Fleece-lined Undervests At 50c. each; regular 75c. quality, three sizes.	cedar. The government wishes to in- troduce a uniform rate on all four. The lumbermen think that the timber areas have, if anything, decreased in value, and that the advances in both mileage and stumpage rates would hardly be fustified. In Quebec the rates are low	into the tank, and this instrument con- nected by wires to a telephone located in the pilot house. By holding the re- ceivers (there are two) to the ears, one can hear the bell and locate it exactly. When we passed the Vineyard Sound lightship we found the bell had not	ten by himself was signed Jessie Harri- son, and a third W. A. Cronk. For the boots he got in all \$2.50 and a watch which latter he afterwards sold. Cronk pleaded guilty to the charge this morning and consented to be dis- posed of by the magistrate. He was	Also, short ends of Silk, Flannelette, Ribbe Laces and Embroideries at very low prices.

Mrs. May, formerly of St. John, Was Involved.

Mrs. Sarah May, formerly of St. John and widow of the late George May, formerly a St. John man but of late years a resident of New York, was narried last week in Ithaca, N. Y., to Dr. Edward Meany, of that city. A sational story has been going the rounds of the New York papers con-cerning the sending of poisoned candy to the home of Michael Casey, a wealthy Ithaca man, in Mrs. May's name. Two of Mr. Casey's children were very ill from eating some of the candy, but recovered. Mrs. May was later clear-

legraph that its water spout is still in such condition that it is a nuisance developed that another woman, jea-Manjfests were received at the cus-toms house today for the following DR. MATTHEWS' LECTURE. Dr. G. F. Matthews opened last
