Baby's Own Tablets

Help Little Babies and Big Children.

When your child—whether it is a big child or a little baby—suffers from stomach or bowel troubles of any kind, is nervous, fidgety or cross and doesn't sleep well, give Baby's Own Tablets. This medicine is the quickest and surest cure — and the safest, because it contains no opiate or harmful drug. No matter how young or how feeble your little one is the Tablets can be given with a certainty that the result will be good. For very young infants crush the Tablets to a powder.

"Mrs. Geo. W. Porter, Thorold, Ont., says:—"my baby had indigestion badly when he was about three months old. He was constantly hungry and his food did him no good as he vomited it almost as soon as he took it. He was very thin and pale, and got but little sleep, as he cried nearly all the time, both day and night. He was constipated; his tongue coated and his breath bad. Nothing did him any good until I got Baby's Own Tablets, and after giving him these a short time he began to get better. His food digested properly; his bowels became regular, he began to grow, and he is now a big, healthy boy. I always keep the Tablets on hand and can recommend them to other mothers."

The Tablets can be obtained at any drug store or you can get them by mail, post paid, at 25 cents a box by writing direct to

The "BUCHANAN" BLEND

SCOTCH WHISKY

JAMES BUCHANAN & CO., GLASGOW, LEITH & LONDON.

"Our analysis shows this to be a remarkably pure spirit, and therefore adapted for medicinally dietetic purposes. It contains a very small proportion of extractive matters, while the acidity is practically NIL. The actual results of analysis were as follows: Alcohol, by weight 38.78 per cent., by volume 46.02 per cent., equal to proof spirit 80.64 per cent.; extractives 0.21 per cent.; mineral matter, NIL; acidity reckoned as acetic acid, 0.027 per cent. The spirit whilst free from injurious and crude products, possesses a delicate and smooth flavour, owing partly to skill in blending.

and partly to the maturing effects of storage for some years in wood." Ask your dealer for Buchanan's "Special Quality" or "Black and White" and see that
