ORANGE PAPER

Issues Warning to the LEGISLATIVE Manitoba Government

Change of Management of Canadian Rubber Company—Plumbers Com-1

bine—Canrdian News.

BARRIE, Ont., March 8.-An action by W. H. Wilson, a livery man of Midland, against W. H. Bennett, M. P. for East Simcoe, for alleged slander, was tried at the assizes yesterday before the plaintiff obtaining \$100 damages. OTTAWA, March 8.—Senator Miller

the recognized leaders of the conservative party since confederation, has sympathy with Mr. Borden as leader ary bills of the last session of parliament. Senator Miller said that his po- subject at a subsequent sitting of the sition in the future would be that of an independent liberal-conservative mbers of the senate.

TORONTO, March 8.-C. D. Warren, president of the Lake Superior Corpresident of the Lake Superior Corporation, received a telegram yesterday from the Soc announcing that on the previous day 802 tons of steel rails had been turned out by the company's plant. This is the largest single day's production as yet in Ontario. The rails plant. This is the largest single day's production as yet in Ontario. The rails are for the C. P. R. company. The of water and sewerage system and for the C. P. R. company. The of water and sewerage system and for the company. The office of the company of water and sewerage system and for the company. The office of the company of the

mpany has orders enough to run at the payment of expenses previously incurred in connection with the isolation full capacity till Oct. 1. MONTREAL, March 8 .- An important change took place in the management of the Canadian Rubber Company at the annual meeting today, when Major G. Washington Stephens, M. L. A., was elected president in place of Sir H. Montague Allan, and Lorne McGibbon becomes vice-president and general manager. The other directors elected are C. C. Ballantyne, Harrison C. Frost, Alex. Pringle, R. J. Younge, Shirley Ogilvie, H. J. Fuller and M. C. M. Hariey. Some weeks ago it was announed that Major Stephens and Mr. McGibbon, representing a syn-dicate, had bought out a controlling interest. These changes are the outcome. The company has in hand arrangements for the establishment of a times. branch house in London, England, on a large scale. The annual report was considered satisfactory, notwithstanding the high cost of the raw material. HAMILTON, Ont., March 8 .- At the assizes yesterday the conspiracy charge railroad to Moncton. against the following named fourteen plumbers, Isaac Walsh, Wm. J. Fitz-simmons, W. J. Walsh, Wm. J. Clark, Hugh S. Wallace, J. H. Stewart, J. F. Cummings, C. J. Mills, Henry Harding, S. Mellon, H. Jones, J. S. Ken-

n, was taken up. It was agreed

that the action should be tried separ-

ately, beginning with W. J. Walsh.

COMMITTEES

FREDERICTON, N. B., March 8.-The public accounts committee took up this morning the consideration of the Laurier Promises Short Session-Imporexpenditures for bridges in Carleton Co. last year. Discussion of some of the items was more or less prolonged, but brought out little of special interest The opposition members of the committee criticized payments for mater ials used, repairs, etc., to several bridges. It was shown that while \$14 per thousand was paid for lumber used in one bridge, \$17 was paid for similar material used in another bridge but a few miles away. The paying of \$3.50 for spikes also proved a subject of un-Justice Clute and jury and resulted in favorable comment by Messrs. Morrison and Smith, who spoke further of several other matters. Chief Commis of Nova Scotia, who has been one of sioner Labillois was asked by the committee to explain why the provincial hospital accounts for the fourth quarabandoned party ties. Campbellton respectively. The Chatter wives and families and with their They would not be ready until Januhospital, etc. The bill was recommended, but a section relating to taxing company property will be particularly brought to the attention of the house with a view to securing opinion regarding the general act providing for such taxation. The committee also recommended the Campbellton bill with cer tain amendments proposed by Hon. A. S. White, counsel for the town. The amendments provide chiefly for the payment to Robert Duncan, in whose interest W. A. Mott opposed the measure, of costs of he saits against the town of the value of land taken from him by the town and of damages sustained by him through the town's actions in connection with the matter at various

A delegation is here today seeking aid from the government for the str. Wilfred C., which was on the Shepody Bay route. The delegation also asks for a subsidy for the extension of the Albert railroad to Moncton.

As a spectacle the opening of parliament seems to grow more popular each vices in any proceeding, contract or claim in which the crown is a party either directly or indirectly before and to the galleries have been of uncertainty of the senate and to the galleries have been of uncertainty or indirectly before and to the galleries have been of uncertainty or indirect compensation for setting the senate and to the galleries have been of uncertainty or indirect or indirect compensation for setting the senate and to the galleries have been of uncertainty or indirect or indirect compensation for setting the senate and to the galleries have been of uncertainty or indirect or indirect compensation for setting the senate and to the galleries have been of uncertainty or indirect or indirect compensation for setting the senate and to the galleries have been of uncertainty or indirectly before and to the galleries have been of uncertainty or indirectly before and to the galleries have been of uncertainty or indirectly before and to the galleries have been of uncertainty or indirect or indirect compensation for setting the senate and the day the crush was very great.
