

Greatest Invention of Age For Hoarseness, Weak Throat.

Nothing So Far Discovered is so
Beneficial to Public Speakers,
Ministers, Singers and Teachers,
as Catarrhose.

Because of its strengthening influence upon the vocal cords, Catarrhose cannot be too highly recommended as a wonderful voice improver. It almost instantly removes hoarseness or hoarseness, thus insuring clearness and brilliancy of tone. Catarrhose keeps the mucous surfaces in perfect condition, and its regular use absolutely prevents colds and throat irritation, thereby removing the singer's greatest source of anxiety—hoarseness of voice. The most eminent speakers and prima donnas are seldom without Catarrhose, and credit to no small degree their uniform strength and brilliancy of tone to its influence.

Singer Recommends Catarrhose.

"For many years I have been a sufferer from that terrible disease known as CATARRH." "Being a professional singer, you can readily understand that Catarrh would be a serious hindrance to my professional skill."

"One year ago I read in the 'Progress' a convincing testimonial from one who had been cured of this disease through using your God-sent invention, Catarrhose."

"Believing in the merit of Catarrhose, I tried it."

"Catarrhose cured me and has been the means of my success."

"You are at liberty to use my name if it will help relieve some from suffering, and I will always remain."

"Bob Biley, New Glasgow, N. S."

Mr. Biley is one of the best known singers and entertainers in the Maritime Provinces. Everyone knows him, and his testimonial for Catarrhose is the best sort of evidence of what great benefit Catarrhose is to those suffering with throat weakness or Catarrh.

Complete outfit, consisting of a beautifully polished hard rubber inhaler, and sufficient liquid for recharging to last two months, costs one dollar. Sold by all druggists, or sent safely to your address by mail if price is forwarded to the Catarrhose Co., Buffalo, N. Y., or Kingston, Ont.

THE WORLD'S WORK DEPENDS ON THE WORLD'S DIGESTION

From the captain of industry to the bod carrier—from the auto to the woman with the scrubbing brush—the accomplishments of every one of us depend absolutely on the accomplishments of our stomachs. Backed by a good digestion, a man can give the best that is in him. When his stomach fails, he becomes a weakling.

To this loss of power no one need submit. Right habits of eating, drinking, sleeping, and the use of Na-Draco Dyspepsia Tablets, will restore and maintain the full efficiency of the human mind and body.

Na-Draco Dyspepsia Tablets contain the active principles needed for the digestion of every kind of food. They go to the assistance of the weakened stomach, and enable the sufferer, right from the start, to assimilate and get the benefit of the food eaten. With this assistance, the digestive organs regain their tone, and soon the use of the tablets is no longer necessary.

If your stomach is not working properly, try Na-Draco Dyspepsia Tablets, see at your druggist's, National Drug and Chemical Co. of Canada, Limited, Montreal.

It is said that Keeney is not the first time that Keeney has got in wrong on the local diamond. He is a man who, no doubt, he dealt with by the league executive in the proper manner, and he will undoubtedly be subject to suspension or a fine, perhaps both. Keeney has a large circle of friends who were sorry to see his rowdiness. He is a good ball player, and a good reprimand for Saturday's conduct will perhaps prove a lesson to him.

After Keeney was removed from the grounds, White was put in short. Duggan went to second and Brown was placed out in center field. The game was resumed and Dutton drew a base on balls. Rice hit to Bob Connelly, who muffed, and O'Brien scored. With the bases full, McGovern hit out to Hoyt at first, and retired the side.

In the second inning both sides were retired quickly.

FTON PLAYER PUT OUT OF GAME; GREEKS AND WOODSTOCK WIN

About 1000 fans in the Marathon grounds Saturday afternoon saw the Greeks win from Fredericton by a score of 8 to 5. This was not all that was witnessed on the old diamond of many battles, for there was plenty of hard hitting, quite a few errors, some very fast playing and last, but not least, a rather disgraceful row which occurred when Keeney, the Fredericton shortstop, became so excited and lost his self respect to such an extent as to say things and then assault Umpire Evans.

The row happened in the first inning. The visitors went to bat and Keeney, the first man up, fled out to Riley in right field. Then Bob Ganley hit a fly in front of the plate and McGovern dropped it. Bob Ganley reached third on an error of McGovern, who threw badly to second. The ball going to centre field, Ganley tried to reach home, but Winter threw well to the plate, and to attempt to score Ganley went out the line about four feet and was called out.

The Fredericton captain put up a big kick, nearly every man in his team crowded about the umpire, and there was some delay. The cooler heads showed Ganley his marks, far in front of the plate, where he was sliding, but they could not convince this old seasoned player that he was wrong in his kick, could be plainly seen, however, that Capt. Bob was in error. Duggan, the next man up, struck out.

The Marathons put a new importation to bat first, viz. O'Brien, a third sacker, who opened by landing the ball to left field for a single. Winter fouled out to catcher. Fraser beat out a bunt to pitcher. Pinkerton hit to short, and Fraser was put out at second, while O'Brien went to third.

It was then that the big noise was made. O'Brien was playing off third base and the ball was thrown in from the pitcher to catch him. When he was touched with the ball his hand was on the plate while he was tagged on the body. Umpire Evans, who was at the plate, called him safe. Keeney, the shortstop, disregarding an important rule of baseball, rushed in from his position to the plate and in loud language, put up an awful kick to the umpire. Other Fredericton players also rushed in from the field. The umpire more than once stated to the excited Keeney that O'Brien was safe, and finally Keeney, who was making shapes at the umpire and refused to stop, was ordered to the bench. Then he pulled off his glove and threw it at the umpire's face. Umpire Evans did not retaliate with violence, but called on the police and requested that Keeney be removed from the grounds, and this had to be finally done with force. During the disturbance, the fans were making a great amount of noise and the game delayed 15 minutes during the disturbance.

There has been a great amount of trouble this season occasioned by players in certain clubs during the kicking with the umpire. It is not that they are ignorant of the rules, but they seem to get away with it every time. The rules distinctly state that the umpire has complete jurisdiction over the game. If there is to be a kick or an appeal, must be made to the captain of the team, and then only by the captain to seek a reversal of the decision on the claim that it is in conflict with a section of the rules.

It is here where Keeney and others were very much in the wrong, and have been during the season, when if there was any objection to be made, it should have been made by the captain of the team, and then solely on a point of rules.

It is said that Keeney is not the first time that Keeney has got in wrong on the local diamond. He is a man who, no doubt, he dealt with by the league executive in the proper manner, and he will undoubtedly be subject to suspension or a fine, perhaps both. Keeney has a large circle of friends who were sorry to see his rowdiness. He is a good ball player, and a good reprimand for Saturday's conduct will perhaps prove a lesson to him.

YACHTS AT EVANDALE YESTERDAY

Happy 15 started for the R. K. Y. C. boys last Saturday afternoon when under Vice-commander Howard Holder in the flagship Winogone the squadron left Millidgeville on the annual cruise. Large numbers of people went to Millidgeville to see the start and enjoyed watching the boats get away. A stiff breeze that caused many of the yachts to put in reefs was blowing at the time and all got away with a rush the minute the starting gun was fired.

The first stopping place was Bel-ya's Point, the leading boats reaching the anchorage about five o'clock. During the afternoon the rudder of the Wanderer was carried away, the motor boat owned by W. Woodley coming to the rescue and towing the crippled craft back to Millidgeville for repairs. The evening was spent in a cheerful manner, a large bonfire being built on the beach while a singing and dancing were also carried out.

Yesterday morning the boats about twenty in number got away about ten o'clock bound for Evansdale. During the day several of the yachts turned back and will rejoin the fleet at a later date. At the head of the fleet the fleet encountered heavy weather, many of the boats putting in double reefs. With the wind blowing briskly the fleet arrived at Evansdale about 2.30.

On Sunday evening a sacred concert was held in the church at Evansdale. The programme was as follows: Sacred gramophone selections, Fraser Gregory; vocal solos, the Messrs Bonnell, Amoral Quartette; readings by Miss Slipp, Kenneth Bonnell and E. R. W. Ingraham. Vice-commander Holder and Roy Crawford were also heard in several instrumental solos. Miss Gunn presided at the organ.

The yachts with the fleet are: Winogone, Robin Hood, Vagabond, Canada, Thistle, Canace, Ilex, Mough, Zuleika, Quaker, Dahlia, Nemo and the Armorer.
