## WILL BE BIGGEST WHEAT CROP IN CANADA'S HISTORY

Preliminary estimate shows this year's crop 33 p.c.  
greater than previous highest yield, in 1913—  
Estimated at 808,839,800 bushels.

(Special to The Standard)

Ottawa, Sept. 13.—In a bulletin is-  
sued today the census and statistics  
office publishes its annual preliminary  
estimate of the production in Canada  
of the principal grain crops.

The preliminary estimate of this  
year's wheat crop in Canada is a total  
of 808,839,800 bushels, from 12,986,400  
acres, representing an average yield  
per acre of 23.78 bushels. This total  
is 147,559,800 bushels, or 91 per cent.  
in excess of last year's inferior yield  
of 161,280,000 bushels, 77,122,800 bush-  
els, or 33 per cent. in excess of the  
previous highest yield of 231,717,000  
bushels in 1913, and 112,814,000 bush-  
els or 58 per cent. in excess of the  
annual average yield of 196,026,000  
bushels for the five years, 1910 to  
1914. In acreage, average yield per  
acre and in total yield the present  
estimate is the highest record, for  
each the total yield for 1915 is esti-  
mated at 488,000,000 bushels from  
11,365,900 acres, an average yield per  
acre of 42.94 bushels. The figures of  
yield also constituting records never

previously attained, for the Canadian  
wheat crop.

Barley is placed at 51,655,000 bush-  
els, from 1,509,350 acres, an average  
per acre of 34.22 bushels. Rye yields  
2,385,700 bushels from 112,300 acres,  
or 21.24 bushels per acre, and oatseed,  
12,193,600 bushels from 1,009,600 acres  
or 12.08 bushels per acre.

The estimated total production of  
wheat in the three northwest provin-  
ces (Manitoba, Saskatchewan and  
Alberta) is 275,772,200 bushels, as  
compared with 140,958,000 bushels  
last year.

## ZEPPELIN VICTIMS 166 IN SEVEN DAYS

Another raid on English  
coast Monday night, but  
apparently a failure.

London, Sept. 14.—Another German  
air raid was made over the east coast  
of England last night, but as far as  
appears there were no casualties and  
no damage was done.

A single Zeppelin was the raiding  
aircraft, according to the official an-  
nouncement, which read:

"A Zeppelin visited the east coast  
last night. Bombs were dropped.  
Anti-aircraft guns, field and mobile,  
were in action.

"So far as can be ascertained there  
were no casualties and no damage was  
done."

## 166 Victims in Seven Days

The Star says that the total casual-  
ties from airship raids during the last  
seven days amount to 166.

"During this period there have been  
no fewer than five air raids on Eng-  
land," the Star says. "The first raid  
of the series took place on Tuesday  
night, resulting in fifty-six casualties.  
The second, in the eastern counties,  
occurred on the following night, when  
there were 106 victims. The third  
and fourth were both futile. Yester-  
day's attack with four victims brings  
up the total for the five raids to 166."

London, Sept. 14.—In a despatch  
from Amsterdam Reuter's correspon-  
dent says:

"A telegram from Ameland, Hol-  
land, says that only three of five Zepp-  
elins, which last evening sailed  
westward, returned this morning, fly-  
ing in an easterly direction."

## RULING OF RAILWAY COMMISSION IN TELEPHONE DISPUTE

Ottawa, Sept. 14.—In an important  
judgment just rendered by the Do-  
minion Railway Commission the point  
dealt with is the form of a draft or-  
der, granting compulsory connection  
between independent telephone com-  
panies lines with the Bell Telephone  
Company's lines for long distance  
messages. Assistant Chief Commis-  
sioner Scott and Commissioners Mc-  
Lean, Goodeve and Hantel find one  
way, while Sir Henry Drayton, chief  
commissioner, dissents. The major-  
ity judgment sets forth that the ques-  
tion of competition between Bell and  
independent companies is not one of  
concern to the board. If the companies  
are unable to agree, then the com-  
pany desiring the connection may ap-  
ply to the board to order the connec-  
tion upon such compensation as the  
board deems just and expedient.

In the dissenting judgment Sir Hen-  
ry Drayton holds that the long dis-  
tance connection with competitive in-  
dependent companies is disadvantage-  
ous to the Bell, and advantageous to  
the independent companies. The loss-  
es to the Bell Company, Sir Henry  
says, are not in connection with the  
long distance business, but result from  
the loss of local subscribers and their  
annual rents. Telephone duplication  
makes for public inconvenience, and  
experience has shown that in one On-  
tario municipality, at least, as soon as  
the Bell Company left the field, as a  
result of popular sympathy for a local  
institution, the rates were immedi-  
ately put up by the local concern.

## ROMAN MEAL

A FOOD THAT  
PREVENTS INDIGESTION  
RELIEVES CONSTIPATION

## What Dyspeptics Should Eat

"Indigestion and practically all  
forms of stomach trouble are, nine  
times out of ten, due to acidity; there-  
fore stomach sufferers should, when-  
ever possible, avoid eating food that  
is acid in its nature, or which by  
chemical action in the stomach de-  
velops acidity. Those sufferers who  
have been obliged to exclude from  
their diet all starchy, sweet or fatty  
food, and are trying to keep up a mis-  
erable existence on green products,  
should try a meal of any food or food  
in moderate amount, taking immedi-  
ately afterwards a teaspoonful of bi-  
sulfated magnesia in a little hot or  
cold water. This will neutralize any  
acid which may be present, or which  
may be formed, and instead of the  
usual feeling of uneasiness and full-  
ness, you will find that your food  
agrees with you perfectly. Bismar-  
ated magnesia is doubtless the best food  
corrective and antacid known. It has  
direct action on the stomach, but by  
neutralizing the acidity of the food  
contents, and thus removing the source  
of the acid irritation which inflames  
the delicate stomach lining, it does  
more than could possibly be done by  
any drug or medicine. Do not dose  
an inflamed and irritated stomach  
with drugs but get rid of the acid—the  
cause of all the trouble. Get a little bi-  
sulfated magnesia from your druggist,  
eat what you want at your next meal,  
take some of the bisulfated magnesia  
as directed above, and note remark-  
able results.

## GAIN OF \$2,000,000 IN DOMINION REVENUE IS EXPECTED THIS MONTH

(Special to The Standard.)

Ottawa, Sept. 14.—It is predicted  
here that the Dominion revenues for  
the present month will show an in-  
crease of at least \$2,000,000 over last  
September. This will be due chiefly  
to a substantial increase in the cus-  
toms revenue resulting from larger  
imports. The fact of a record harvest  
in the west is now assured has im-  
proved business conditions consid-

erably and there is a corresponding ex-  
pansion of import trade. The business  
improvement also reduces the pros-  
pect of trouble from unemployment.  
Considering as well that more than  
160,000 men have been taken from  
business and industrial life to go on  
active service and that immigration  
has fallen from 402,000 to 144,000 per  
annum there should be no great  
amount of unemployment this fall or  
winter.

Trust Company, the executors therein  
named. The testator gives to his wife,  
Mary Sullivan, his household furniture  
and effects contained in his dwelling  
house, No. 113 Mount Pleasant avenue,  
absolutely, a life interest in this prop-  
erty and a one-seventh interest in his  
residuary estate; to his daughter, Mar-  
garet he gives his freehold property at  
Dolan's Lake, with the furniture and  
goods therein, also the Mount Pleas-  
ant avenue property after her moth-  
er's death, and a one-seventh interest  
in the residue. To his daughter Lucy  
R., he gives one-seventh of the residue.  
Another one-seventh share is to be  
held by The Eastern Trust Company as  
guardian of his infant son, Edward  
D. Sullivan, and the income applied  
for his maintenance and education.  
The income of the remaining three  
one-seventh shares is for the benefit  
of the testator's sons, William I., Jas.  
D., and Arthur P. If either of them  
should die leaving children, such chil-  
dren to take the parent's share. The  
executor is authorized to continue the  
testator's business. The estate con-  
sists of the properties mentioned and  
personal property in all having the  
probate value of \$37,232.00. The de-  
ceased had insurance on his life in

various companies to the amount of  
\$9,000. The executors are Messrs. Barn-  
hill, Ewing & Sanford.  
On the application of the executor,  
The Eastern Trust Company, the will  
of J. Alfred Clark, late of this city, de-  
puty collector of inland revenue, was  
admitted to probate. The testator  
gives his gold watch and chain to his  
grandson, Aubrey Clark; to his widow,  
Amelia E. Clark, the sum of \$1,000.  
The residue of the estate goes equally  
to the testator's three sons, A. Hunter,  
Ralph W., and Aubrey H. The prop-  
erty consists of three lots on the  
west side of King street, West End,  
and personality valued at \$9,900; total  
probate value \$10,500. The deceased  
had \$2,000 insurance in The Royal  
Guardians. The executor is J. H. A. L.  
Fairweather.

## FOR CANADIAN OVERSEAS SERVICE

### IMPORTANT

The NATIONAL PATRIOTIC FUND COMMITTEE has decided on a  
basis of distribution of funds among the wives and children and other de-  
pendents of volunteers. IT IS ESTIMATED that a wife on her own account  
requires Thirty Dollars per month for her maintenance. THE CANADIAN  
GOVERNMENT provides Twenty Dollars per month of this amount and the  
PATRIOTIC FUND the remaining Ten Dollars. IF REQUIRED. Children  
between eleven and fifteen years inclusive are allowed twenty-five cents per  
day; from six to ten years of age inclusive, fifteen cents per day; and un-  
der six years of age, ten cents per day. Thus a wife and three children of  
the ages of three, seven and twelve, MAY receive a total monthly allowance  
of Forty-five Dollars, of which Twenty Dollars is payable by the Canadian  
Government and Twenty-five Dollars by the PATRIOTIC FUND. This is of  
course in addition to the Thirty-three Dollars per month paid to the soldier  
and which may be assigned by him to his family.

Besides the above, provision is made for a compassionate allowance for  
temporary extraordinary need, such as accident, sickness, etc. In short the  
whole purpose of the PATRIOTIC FUND is so to supplement the GOVERN-  
MENT ALLOWANCE as to provide all reasonable comfort for the families  
of soldiers on service.

EACH INDIVIDUAL CASE IS SUBJECT TO THE REPORT OF LOCAL  
COMMITTEES, who shall consider all the circumstances of families affect-  
ed, with respect to the earnings of members of such families, amounts re-  
ceived from former employers of the soldiers and other sources of income.

Every reasonable provision is thus made for dependent relatives.

the same time, and the Institute for St.  
John and Charlotte Counties will meet  
in St. Stephen on September 30th, and  
October 1st.—Educational Review.
