## SOLDIERS AND NURSES THANK ST. JOHN WOMEN

Gifts of Comforts Greatly Appreciated by Those Bearing Empire's Burdens at the Front.

That the untiring efforts of the ladies in providing comforts for the soldiers at the front is appreciated by the men who are far from home, fighting for the Empire, is shown by the following letters received yesterday:

From Capt. Scovill.

At the Trenches,

April 21st, 1916.

Corresponding Secretary Soldiers' Comforts Association, St. John, N. B.

Dear Madam,—I wish to thank you on behalf of the men of my company for the splendid lot of socks that were received through the Canadian Field Comforts, Moore Barracks, some ten days ago. It is indeed hard to express to you our adequate thanks for these socks as they are the one thing that are always more than welcome. I have been able through the kindness of your association to supply every man of D Company with two and three extra pairs of socks while in the trenches and you have no idea what a relief it is after the march in to be able to have a change and to know that there are a couple more pairs of dry socks in reserve; indeed, the almost total absence of "trench feet" the past winter has largely been due to the dry socks the men have had.

No doubt you will be glad to know the things sent by the Soldiers' Comforts Association reached us safely and on our parts we are always more than grateful for the kindness and thoughtfulness of the ones at home who are looking after our comfort.

Your letter of March 31st is to hand advising me of shipment of 2 cases of "smokes" and on receipt of same I will acknowledge.

Again thanking the Soldiers' Comforts Association for looking after us so well, I beg to remain,

Sincerely yours,

MORRIS A. SCOVILL, Capt., O.C. "D" Co., 4th C.M.R. Batt.

Matron Annie C. Strong.

Miss Lauretta N. Hill, 8 King Square, St. John, N. B.

Dear Miss Hill,—It gives me much pleasure to tell you of the safe arrival of your most generous gift of fruit—not a jar was broken—some of it had sagged but that of course was soon remedied.

The fruit was in perfect condition and greatly enjoyed. Please accept my grateful thanks on behalf of the hospital.

I realize so well the amount of work your gift represented.

Very sincerely yours,

ANNIE C. STRONG, Matron, No. 2 Canadian Stationary Hospital, B. E. F.

This letter is in acknowledgment of a barrel containing eighty-one jars of jam which Miss Hill made and sent to this hospital in France.

JUDGE M'INERNEY HELD FIRST COURT

Leaders of New Brunswick Bar Extended Congratulations to Recently Appointed Judge of Probate.

Judge McInerney held his first Probate Court yesterday morning and congratulations were in order.

In behalf of the local fraternity of the city W. A. Ewing, K. C., congratulated His Honor upon his recent elevation and expressed confidence that he would fill the office well and capably. The appointment, he said, was one which met with general approval.

Attorney-General Baxter, K. C., also made brief congratulatory remarks and expressed best wishes to Judge McInerney and wished him a long life to enjoy his office.

His Honor made a brief reply, thanking the members of the bar for their kind expressions of good will. He hoped his fulfillment of the office would be to their satisfaction.

The business of the court was then taken up and several applications were heard.

REVOLUTION BREAKS OUT IN LISBON

Berlin, May 12, by wireless to Sayville.—A dispatch from Granada, Spain, says that a revolution has broken out in Lisbon.

It is reported that troops have been mustered and that the arsenals have been burned.

## POOR SHOWING IN RECRUITS YESTERDAY

Several Men Applied but None Passed — How Local Units Spent Day.

Yesterday was another that was barren so far as recruiting in St. John was concerned, several men were examined but failed to pass the test. This will be one of the smallest weeks since recruiting started in the city.

Lieut. Roy Bell has received his appointment to the 58th Battery at Fredericton and will report for duty at once. No more applications will be received at present for the artillery course at Halifax. The school of musketry will open about the 26th of May at Ottawa.

None of the big league towns will have anything on St. John today. The officers of the 115th and 140th will play a game of baseball this afternoon and it will be one of winning and claims to have the Indian sign on the other.

115th.

Two men were added to the strength of the 115th yesterday. The morning was spent mostly in routine work, and in the afternoon B C and D Companies were out on a route march. Today Lieut. Pickard will be the orderly officer and the usual Saturday tasks will be performed.

140th.

Yesterday was spent by the men of the 140th in routine work. Nearly all the men have recovered from the effects of their inoculation and will be ready for hard work again on Monday. Two men were taken on the strength. Lieut. Patchell, assistant adjutant, returned from Perth yesterday. Today the officer of the day will be Lieut. Baker, the officer of the guard will be Lieut. J. H. Manning and the usual Saturday cleanup will be given in the quarters.

VERY HIGH CHARTER.

It is reported that the owners of the six-masted schooner Edward J. Lawrence, which is now discharging a cargo of salt at Gloucester, are considering a charter of \$25 per ton for carrying coal from a Chesapeake Bay port to Lisbon. This is undoubtedly the highest price ever paid on coal.

Was Troubled With BOILS ALL OVER HIS BODY.

When the blood becomes impure the first symptoms manifesting themselves are a breaking out on some part of the body of various sorts of bad blood troubles, such as boils, pimples, abscesses, ulcers, etc.

How many times have you met a friend with a handkerchief tied around his neck, and have asked him, "What is the matter with you?" "Oh! I have a boil on the back of my neck; I guess I will have to take something for my blood."

The best blood cleansing remedy on the market today is Burdock Blood Bitters, and the speediest and most thorough method of expelling all the useless and corrupt matter from the blood is to use this old and well tried remedy that has been on the market for the past forty years.

Mr. W. E. Cockerill, Golden, B.C., writes: "I was troubled with boils all over my body, and my blood was very bad. I tried all kinds of medicines and salves, but got no relief. I had to quit work, as I could not stoop to do anything. My boss told me to use Burdock Blood Bitters, after I had told him I had tried nearly everything else. I got one bottle of B.B.B., and before I had finished it the boils were all gone. It is the best blood cleanser I have ever taken. I have told several others who were suffering with boils, and they all say it is great medicine. I am forty-seven years of age, but I feel like sixteen since I got rid of the boils."

B.B.B. is manufactured only by The T. Milburn Co., Limited, Toronto, Ont.

## A Home Favorite

Modern man demands constancy on the part of all home institutions. He cannot endure a furnace that sulk in zero weather, a piano which won't stay in tune, or a housedog given to snapping at guests' heels. By the same token he demands on his sideboard a whisky which never sulk, which is always in tune and which snaps nobody. On thousands of sideboards hereabouts that whisky
