ATKINSON'S Champion Plate Polish, WHICH will save considerable time and trouble, and will be found invaluable, as it will clean the article from dirt or grease, as well as produce a most brilliant polish. The Proprietor can, with the greatest confidence, recommend his "CHAMPION PLATE POLISH" as an article superior to anything of the kind ever offered to the public. One trial of it will ensure constant use; and as it saves so much time and labour, besides producing a very lasting polish Housekeepers will find it worth their while to use "ATKINSON'S CHAMPION PLATE POLISH," for cleaning and polishing all kinds of silver and plated goods.

4. That the duties and powers of the Annual School Meeting, as prescribed by "the Common Scholos Act, 1871," are, in brief, as follows:

(1). The election from among the qualified veters present(i.e. persons resident in the District and rated in the Parish Assessment List in respect of real and personal property or income, and persons nor-resident in the District of a Chairman to preside over the meeting. The Chairman is to determine all questions of order, to take the votes of qualified voters only, to decide according to the majority of votes, and to give a casting vote in case of an equality of votes.

One-halt of the County fund is to be apportioned and paid semi-antualty.

No public moneys will be received by Districts which fail to establish Schools under the Act. It will be observed that the amount of Provincial and County moneys to be expended in any District in aid of Schools will depend almost exclusively upon local exertion, or the direct efforts made by the people of the several Districts in maintaining their own Schools. The sum to be received by the Pracher from the Province is definite, but the exact amount that will be received by the Tractees from the County Fund on account of the average attendance of pupils, cannot be known at the time of the School meeting. The meeting should, therefore, be careful in voting its estimates to authorize a sum amply sufficient to enable the Trastees to meet the liabilities of the School year. Any balance remaining in the hands of the Trustees, is, of course, to be carried to the credit of the next School year, while any deficit arising from an authorized expenditure may be carried forward and provided for in the estimates of the following year.

The first disbursement of the County Fund will be apportioned on the School attendance made between January 15th and April 30th, inclusive.

(2) Fixed Salaries; The amount which the Board of Trustees of any District is to receive from the County Fund, being largely dependent on the regularity with which the pupils are kept at School, and therefore unknown at the date of the written agreement (Reg. 2.) to be made with any Teacher or assistant, the Chief Superintendent is not to recognize any contract by which a Teacher or assistant may agree to receive such unknown sum as a portion, or the whole of his or her remuneration from the Trustees, but shall require that a fixed and definite sum or rate be distinctly named in each and every agreement.
