No organ of thought or action can be employed without the assistance of the blood, and no organ can be employed safely or with impunity without a supply of healthy blood. With healthy blood the exercised organs become well developed, whether they be muscular or intellectual. By the use of Fellows' Compound Syrup of Hypophosphites the blood is speedily vitalized and purified, and so made capable of producing a sound mind and a sound body.

"Persons suffering from impure blood, or whose health is giving way, either as ministers or those who study closely, will find the Syrup the material to build them up, and the tonic to keep them there."

POR PURIFYING THE BLOOD, nothing has ever been offered which can compare with this Extraot of Sarsaperilla. It is found a great promoter of bealth, when taken in the spring, to expel the humors that rankle in the system at this season of the year. Many complaints have their origin in the spring, and in the causes above mentioned for which no better remedy has ever been devised. By its use multitudes can spare themselves from the endurance of foul erustions and ulcerous soresthrough which the y-tem strives to rid itself or corruptions, if not assisted to do this through the natural channels of the body by an alterative medicine. Cleanse out the viriated blood whenever you find its impurities bursing through the skin in pimples, cruptions, or sores; cleanse it when you find its impurities bursing through the skin in pimples, cruptions, or sores; cleanse it when you find its inpurities bursing through the skin in pimples, cruptions, or sores; cleanse it when you find its inpurities bursing through the skin in pimples, cruptions, or sores; cleanse it when even you find its obstructed and sluggish in the veins; cleanse it whenever it is foul, and your feelings will tell you when. Even where no particular disorder is felt, people on joy better health, and live longer, nor cleansing the blood. Keep the blood healthy, and all is well; but with this pabulum of life disordered, there can be no lasting health. Prepared by DR. J. G. AYER & CO.
