Murphy proved that Ross was not present when the bar was open; therefore he did not open or keep the bar open, and would not be liable unless made so by his servants. The master was liable for the acts of his servants, but the evidence in this case did not show that the bar had been opened for the purpose of breaking the law, and there was no evidence to prove that the servants had any instructions from Ross to do anything but what was right. The decision concludes as follows: "The barkeeper having gone to Boston his evidence is wanting. The evidence of Policeman McQuarry is from bearing of the ear only—Murphy's from both sight and ear. Therefore upon evidence of the latter my judgment is based, and I discharge the defendant."

Mr. Ross left the court room with his counsel, evidently a little surprised and pleased with the result of the trial.

An Assault on a F. O. Clerk.

A little misunderstanding occurred between Mr. John Melick and Wm. Parker, a post office clerk, Saturday night, which the resulted in the former striking the clerk. It seems that Mr. Melick, early in the evening, got his letters, and there was put in his box just before the office closed he again went for letters, and Parker handed him this slip. A Twentycent piece was handed in to pay it.

VINEGAR BITTERS

Dr. J. Walker's California Vinegar Bitters are a purely Vegetable preparation, made chiefly from the na-tive herbs found on the lower ranges of the Sierra Nevada mountains of Califor-nia, the medicinal properties of which are extracted therefrom without the use of Alcohol. The question is almost of Alcohol. The question is almost daily asked, "What is the cause of the lleled success of VINEGAR BIT-TERS?" Our answer is, that they remove the cause of disease, and the patient rethe cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before in the history of the world has a medicine been compounded possessing the remarkable qualities of VINEGAR BITTERS in healing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Congestion or Inflammation of the Liver and Visceral Organs, in Bilious Diseases.

The properties of Dr. Walker's VINEGAR BITTERS are Aperient, Diaphoretic, Carminative, Nutritious, Laxative, Diuretic, Sedative, Counter-Irritant, Sudorific, Alterative, Technology, 1987 tive, and Anti-Bilious.

Grateful Thousands proclaim VIN-EGAR BITTERS the most wonderful In-vigorant that ever sustained the sinking No Person can take these Bitters

according to directions, and remain long unwell, provided their bones are not de-stroyed by mineral poison or other means, and vital organs wasted beyond Bilious, Remittent and Intermittent Fevers, which are so preva-lent in the valleys of our great rivers throughout the United States, especially throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkan-sas, Red, Colorado, Brazos, Rio Grande,

anoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during sea-Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to Dr. J. Walker's Vinear Bitters, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Fortify the hody against disease by purifying all its fluids with Vinear Bitters. No epidemic can take hold of a system thus fore-armed.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitatation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia.
