

VI. *And be it further enacted by the authority aforesaid,* That it shall and may be lawful for the Surveyor General or Deputy Surveyor General of this Province, to examine applicants to Survey, and if found competent, to grant certificates to that effect, and to administer the foregoing oaths, which oaths shall be deposited in the Surveyor General's office.

Surveyor General or Deputy Surveyor Gen. to examine applicants and administer oaths.

VII. *And be it further enacted by the authority aforesaid,* That it shall and may be lawful for the Governor, Lieutenant Governor, or Person administering the Government of this Province, to grant Licences to such persons as are well recommended, on their producing satisfactory certificates from the Surveyor General or Deputy Surveyor General of this Province, of their competent knowledge of the theory and practice of Surveying in all its branches, to survey in this Province during their good behaviour.

Licence to be granted to Surveyors.

VIII. *And be it further enacted by the authority aforesaid,* That each and every chain-bearer shall take an oath to act as such, justly and exactly, according to the best of his judgment and abilities, and to render a true account thereof to the Surveyor by whom he may have been appointed to such duty, which oath the Surveyor employing such chain-bearer, is hereby authorised and required to administer.

Chain bearers to be sworn.

IX. *And be it further enacted by the authority aforesaid,* That the front of each Concession, lot, or parcel of Land, shall be considered to be, and the same is hereby declared to be that end or boundary of such Concession, lot, or parcel of Land, which is nearest to the boundary of the respective Townships from which the several Concessions thereof are numbered.

What shall be taken to be the front of each concession.

X. *And be it further enacted by the authority aforesaid,* That in all cases when any letters patent of grant or other instrument, has issued for several lots or parcels of Land, in Concessions adjoining each other, the side lines or limits between lots or parcels of Land therein mentioned and expressed, shall commence at the front angles of every such lot or parcel of Land respectively, and run agreeably to the courses of the respective Townships as herein before enacted, and shall not continue on in a direct line through several Concessions, unless such line or lines, when run truly parallel to such governing boundaries of such Townships, as aforesaid, shall intersect the corresponding post or monument at front of such Concession next in rear.

How the side lines between lots shall be ascertained in cases where a patent has issued embracing several lots.

XI. *And be it further enacted by the authority aforesaid,* That in all cases when any Licenced Surveyor shall be employed to run any side line, or limit between lots, and the original post or monument, from which such line should commence cannot be found, every such Surveyor shall, in every such case, obtain the best evidence that the nature of the case will admit of, respecting such limit, but if such limit cannot in such manner be nearly ascertained, then such Surveyor shall proceed to measure the true distance between the nearest undisputed posts, limits, or monuments, into such number of lots as the same contained in the original Survey of such Township,

How Surveyors are to proceed when the original posts or monuments are lost.
